TO THE PUPLIC OF THE BRITISH PRO VINCES OF NORTH AMERICA.

I beg most respectfully to acquaint the vinces that in May last I caused the business Proprietary. at 80 Maiden Lane New York, for the sale of nolloway's Pills and Ointment, which were up to that time prepared by William Brown, now deceased, to be closed. These Medicines were, I regret to say, from what has lately come to my knowledge, made up of such very ordinary ingredients as to render them almost worthless, and therefore calculated to damage my good name.

Those who do not wish to be deceived by ouying spurious medicines, which are now likely to emanate from the States or else where, but to possess themselves of the genuine Hollowag's Pills and Ointment will do well to see that each pot and box bears the British Government stamp on which is engraved the words "Holloway's Pills and Ointment, and that the address on the label is 533, Oxford street, London, where only they are manufactured, and in no other part of the world.
