The Compound Elixir of PHOSOPHATES and CALISAYA. This elegant and agreeable preparation has become a great favorite on account of its perfect reliability in the treatment of derangements Stomach, Liver Complaint, and Disease of the Kidneys. It speedily relieves the pain and sense of fullness so often felt by the dyspeptic after eating, Acidity, Flatulence, Constipation, and the billious Headaches that attend all cases of weak digestion. In diseases peculiar to women it acts like a charm, correcting all irregularities and exhausting discharges, and restoring perfect viger to the body and color to the complexion. Its remark able curative action depends upon its peculiar properties as a purifyer of the vital agent, the Blood, and perfecting the healthy formation of all the tissues of the body. It is delightful to take permanent in its effect, with no liability of a relapse, and positively without the slighlest injury to the most delicate child. Sold at \$1.00 per bottle.

As the first Parliament of this Domin ion shall shortly be dissolved, then the duty and privilege of chosing your representative in the second, shall devolve up on you, and being requested by a number in of the leading and most influential resithat position, I beg to inform you that I have acceeded to their request, and now respectfully ask you one and all for your vote and influence.

Born in your County, known to many of you through my father's business, to more of you median, in his humorous Dutch songs as professionally, and to a still larger number colitically, I flatter n yself that my candidature will not be in vain. But in those days when the Grit of yesterday is the Conservative of to day, and the Conservative of vative of to-day the rabid Radical of to morrow, I feel it my duty to state hold dear the connection between this Dominion and the Mother Country, and shal lstrenuously oppose anyand everything that shall tend to lessen British Influence on this continent, ignoring Independence as I feel it to be the first step toward annexation, and the blotting out of our separate existence.

I hold, the true principle of the public man; should be measures not men; yet ! trankly admit and feel that your representative is bound if only by the tie of gratitude to give a liberal and hearty support to the leader of the present Government; for his firmness and loyalty, you are indebted to the fact that your county town is the metropolis of this great and glorious Dominion irrespective of the fact of decreasing customs, an overflowing tressury, and a country now only bounded by the waves of two

Again, a country like ours, large is area, sparse in population, yet rich in the natural products of the soil, the mountain and the river needs the fostering hand of protection, that you may obtain as it were, at your own door the value On behalf of the CHAUDIERE ENGINE of the proceeds of your industry from the And again, remembering the maxim of

Wellington, "the best way to maintain peace is to be slways prepared for war.'
