THE DUTY OF THE ELECTORS.

We have already pointed out that it is the obvious duty of every elector, when deciding as to the candidate whom he will support, to divest his mind of all personal prejudice, and to vote for the one who he knows will give an unhesitating and consistent support to the present Dominion

It is not a mere party triumph which we seek to obtain. It is the continued pursuance of that line of policy which has in five years done so much for MAYOR MARTINEAU.
