A FASHION STORY.

The Swiss Times has the following story from its Paris correspondent : A great many people do not know how to put fine clothes on. There was a robe made by one of the best Paris tallors last week for a princess, who suddenly had to take to mourning, and it was left in the

hands of the omnipotent artist who had class Brandies or Wines and the best Family fancied it. The simple fact that it had been made for a princess, whose waist is only sixty centimetres in circumference, and whose figure is faultless, rendered the possession of the abandoned toilet a matter of rivalry in the circles of the clite. Every beauty declared it would certainly fit her, and went to see it, but the tailor, after a glance at the struggling competit ors, declared it would never book, or never Ex Ships Nices, Tell, Lant Love Man preferring to keep the rejected robe than

to see his clients ill dressed. There the lovely thing hung. It was The following goods from the produces striped Pompadour corded silk, having the following design : A blue levertier satio stripe and a wide one, on which soft tinted flowers were twined together by bluish levender bows. It was a perfect min i sture in point of workmanship; made with a camargo train, and trimmed with lavender satin, over which fell plisses of organdie bordered with narrow lace. It had an open bodice trimmed in the same way, with a lavender satin vest underneath, and But on that I hold now are my dearest the sleeves a la Louis XV., were sufficient.
