honors, and the responsibilities of office?

have allied with them in administrating

ale" and Independents of Quebec, and

to British connection, but who openly

avow their desire to destroy our present

constitution, and to break up the British

this is a mere election story concocted by

purpose of injuring their political oppo-

allies of the Grits condemned, and it is

organs to prove the truth of what

we assert. What would have been

thought, if in 1870-71 a set

of the American Union had asked the

American people to give the reins of office

into the hands of Jefferson Davis, Stephens

and Tombs, men who had openly de-

Union? Yet what the Grits ask the people

of Canada to do when they advise them

to entrust their future destinies to the

keeping of the unholy combination which

forms the Opposition, is scarcely less un

wise and imprudent than that would have

been. What the electors have to decide

at the polls then is, whether Canada shall

be governed by those who for five years

have governed honestly and well, or by a

party, some of whom have just been

proved guilty of the grossest political

dishonesty, and the rest of whom are

pledged to destroy the Union and the
