CITY COUNCIL.

A regular meeting of the City Council was held last night. Present-His Wor-7.30 10.30 12.00 10.00 ship the Mayor, Alds. Heney, Rocque, Kehoe, Lyon, McDougal, Graham, Rowe, Magee, LeSueur, Pratt, Lapierre. A letter from the Rev. T. D. Phillipps,

in reference to the advent of the English

eleven to Uttawa, was read. A communication from Col. Ross, asking of the contractor. for a grant to the Governor General's Foot Guards, was referred to the Finance.

The contractor of Pooley's Bridge informed the Council, by communication, works Commissioners he could not have expiration of the contract.

A communication from Mr. James Goodwin, stated the Wellington Street Bridge was so far advanced in construction as to be ready for the iron superstructure, and | bridge off the contractor's hands. asking for £2,000 sterling to purchase the

Ald. LeSueur moved that His Worshipthe Mayor be authorized to sign a cheque for the £2,000. Carried. A petition asking for a public holiday on the 27th inst., and signed by a large number of our most influential citizens, Ald. Rocque moved that the Rev. T. D.

Phillipps be heard on the subject. Mr. Phillipps accordingly addressed the Coun-After considerable talk a motion that the Holiday be proclumed was lost on di-

A communication from the Board o Water-works Commisioners requested the Council to instruct His Worship the Mayor be required, according to the provisions of liberal support which the citizens have the Act for the construction of Water-

was put and carried. The 10th Report of the Finance Com mittee was read, recommending amo g other items the granting of \$50° to the ing in value to over \$600 have been given Metropolitan Rifle Association.

Mr Barber addressed the Board, and that the citizens will contribute liberally state 1 that some time ago a few dissatisfied | in its aid when called upon. members of the Association severed their connection with it and formed a new Assocastion. He thought there should be only one Association in Ottawa, and it would not be advisable for the Council to encour-

as much deserving of assistance as the other. Many members of the Metropolitan sedicine than the Caledonia Water. No Rifle Association did not at present belong to any Volunteer Company. Ald. McDougall would like to encourage all alike, and the Corporation not being in a position to give \$100 to the Metropolitan

Rifle Association and Ottawa Brigade of Ald. Pratt's motion was put and lost Aid. McDougall presented the Financial statement for the current year, and moved -

the reading of the By law for imposing the Ha then delivered a very able budget speech, which was analysed by Ald Pratt, who went through the Financial statement guld not see 'the use of proclaiming the in an exhaustive manner.

After a long discussion His Worship the Mayor spoke in terms highly complimentary of the Finance Committee and believadvised its adoption. Tue By-law was then read a third time

Ald Roque presented the 10th Report of the Board of Works It stated that the board could not a ree on the Muria Stre t Bridge question, but advised the council match, which will commence on the 27th The 11th Report of the same board was

Ald Roque moved that Reports Nos 10 and 11 be received and adopted, and that the council do now take the Maria Street bridge question into consideration. Ald Meloug I moved that the item for "Unchanged, Unchanging and Unchange- \$500 additional ward appropriation should

Ald. Lyon enquired about the By Ward and thought something should be done in Ald. Pratt did not think the item

The alderman knew very well that the ward improvements could not be done situency will, out of compassion for a man with \$1,000 to each ward. The appropri The is so perseveringly pursuing a course ation is always exceeded, and he thought of self destruction, chain him up until it better to make an adequate appropri ation than to come back to the council

was put and lost and the reports adopted Ald, Pratt presented a Report of the to walk from Hull to Aylmer a distance Fire and Light Committee, recommending of nine miles, yesterday morning. The the purchase of a Steam Fire Engine for

Ald. Pratt moved the adoption of the Ald. Lyon did not think the corporation could afford to purchase a Steam Fire Engine, which including hose, &c., would c et about \$12,000 and would be of very besten, arriving in Aylmer 11 minutes little use What use would it be were a fire after Latremouille, with his tongue pro. to take place on Sandy Hill, Richmond from the place where it may be kept?

road or any other part of the city distant Ald, Heney believed the engine would be of great use; it would prevent many disastrous fires; had they had asteam engine when the late fire occurred it could have been quickly drowned out; and it would have been equally useful at the water, eat a light breakfast, but took fires which destroyed property on Rideau

street and Sparks street. Ald. Pratt said that nearly all the fires that occurred during the last six weeks were within a radius of a quarter of a mile from the canal; a half a million dollars' worth of property was destroyed by fire Who met with the accident at Mosgrove's during the last few years. It would cost slmost \$10,000, but the property it would be the means of saving would warrant a larger expenditure; it will be required even after the construction of the waterportion of the brain, about five inches | works; it will throw water through a mile a circumference, protrudes nearly an hose; it cost \$1.200 for water at fires in 1872, an amount sufficient to pay the interest on the price of a steam engine speechless his right side from the shoulder | moreover there would be a good supply

Ald. LeSueur was entirely in favor of the purchase of an engine; it would not only sa e property but it would inspire a heartbroken. They sit by his little crib feeling of safety am ng the Insurance from day to day giving vent to their great; "Companies as well as among the people grief in tears. Dr. Bell attempted to press He hoped the engine would be purchased. in reference to a Local Insurance Comthe brain back to its place, but it appears pany he viewed the project very favor it is now too late to do so. He will be ably; not more than 5 per cent of property brought to town to day, and will receive | destroyed was private residence, whilly 95 per cent was shop residences. He thought a Private Dwelling Insurance Company should be organized in this city Ald. Magee said now that it was so near winter it might not be advisable to purchase the engine, the water would be let out of the cansl during the winter season,

Ald. McDougall would go for buying a steam engine under any circumstances. Jim Gaffney, an unrepentant sinner, was | The Insurance Companies are multiplying their premiums, and some of them were talking of withdrawing their agencies. He gid not think a local Insurance Company

going too deep into expense. He thought

Ald. LeSueur moved, seconded by Ald. write to the Secretary of the Board of High

School Trustees of the city, requesting a statement of the average number of pupils who attend the High School during the year ending this midsummer, giving the number from without the city limits.

The cedar question was amicably settled | Elgin, E.R. after a short but lively discussion. Ontario, N.R

built off the line of the street, but it Addington Ang. 26 he thought the council should take the Wellington, S. R. Aug. 27

contractor. He thought the council could Haldimand Aug and he would allow Mr. Webster to collect Uxford, N. R Aug- 30 the amount by law. He could not see why they should take the bridge off the contractor's hand. He had gone to see it but could not attempt to explain how it was built. It was crooked every way. They mi, ht.go up to see it. Ald. Bangs maintained that the bridge

was straight.
