Sir John Macdonald was at Lindsay yesterday. He will probably be here very

Sir George Cartier is expected here Tuesday or Wednesday next. All the Ministers will be here within a few days.

A revied list of the members of Parliament returned will be found in another column. So far as the Ontario elections are concerned it is correct up to yesterday. Is will be seen that the Government have listen to the voice of argument and rea- a little sire done better in Ontario than we anticiparial supporters from this Province, and already forty have been returned. The Opposition may possibly have a ma jority of eight in Untario. The Government will have a mejority of about twentyfour in Quebec, eighteen in Nova Scotia, twelve in New I runswick and from eightto ten in British Columbia and Manitoba.

SIR GEORGE CARTIER

There is no min more closely associated

with the progress and political history

Canada during the past twenty years than Sir George Cartier No man has displayed m re earnest, patriotic purpose, more un fliaching resolution, nor a greater reldiness to forget sell, and risk his own per sond influence and position when the publis in erest domanded that he should do so, frue and loyal to his own fellow constrainen of Quebec, cherishing the tracitious and pistecting their interest with a onivaleto idelity characteristic the correct and a page of the ad tout leader mes ever processed. No is it by French Usnetiens alone that h has been and as lared and trusted. Britis Om diaus have not been alaw to recog. 1 and up ends ais efferts to reconcile and spirese trive an arrities and perforate via to yet existed on ween the 100 races and to mante una Francia Aid English peak ng rates id oue out and boat procherhood. Idw weil he has succeede we all know, His laysity and fidely ty to the British Crown are shared by a large mijority of his coun rymen, so that to-day, thanks very mu to the efforts of Sr deorge Carder, French Canadians are really, when danger threat en this portion of the Empire, to stan side by side with Englishmen in defence of their common country, and to figh with as much courage and devotion be neath the shadow of the Union Jack, a

ever their sires did beneath the banner

the golden lilies How is it, then, it may well be asked that a man to whom the people of Canada owe so deep a dept of gratitude should have been defeated in Montreal? As we the condition of Sil. George's health had much to do with t. Had he have been able to have been about among the electors, to have attended to the organization of his committees which we learn was wonderfully defective, had he in short been able to have taken his usual active part in the contest, the result, we have not the least doubt, would have been altogether different. But the illness from which Sir George Cartier has lately been suiting from too close and assiduous at have won another seat for the party, but ye trevery true I median. We are glad, reach of course not surprised to learn

a number of seits have been pl ces the celing of every loyal mon in Canada when We say, that we hope and expect to see him in his place in Parliament again battling with his scoustomed energy and Right Hop. A a. B. uce, and Mr Augustus descens tion in benalf of that grand in the american Union which he has done se much to establish, and of that action it Progress which C hids in a great measure oves to the loyalty and sagacity of Sir John Maccionald and Sir George Cartier. The Globe of course raises a great shout of triumph over Sir George's defeat But as the ontre ! Gazette observes : It has at determined perseverance. - T mes ben the fate of leading public men, both from time to time electoral reverses. The leaver of the Liber Is in the West, Mr condidate to his country. They are the

mere socidents of political life.
