SECOND GRAND GIFT CONCERT

DAY OF THE DRAWING FIXED. No Postponment from September 28.

The Trustees of the Public Library Kentucky being satisfied from the large sale of tickets already made, and the daily increasing demand for them, that there will be no occasion for postponing the second drawing in the Gift Concert in aid of the Public Library of Kentucky, have instructed me, as their agent and manager of the Gift Concert, to say to the public and ticket holders that the drawing will positively take place on September 28 prox, and will not be postponed. An active demand for tickets come from every State and Territory of the United States, and from the Canadas, giving assurance to the Trusdrawing at the appointed time. A sufficient clerical force is engaged to

keep up with the orders for tickets, and it order that this office may be relieved of immense pressure incident to the usiness for the week or two immediately preceding the drawing, agents especially, and those desiring of procuring tickets, mediately, as sales will have to be closed in time to make the necessary preparations for the drawing. It is the wish of the management to fill every order for a ticket, as well as to sell all the tickets, but those who apply first must be first supplied; and, if those who put off buying until sales are closed, have their money returned, instead of the tickets ordered, as in the first Gift concert in December last, when thousands of dollars that came too late were sent back, they will have none to blame but themselves.
