

TUESDAY, OCTOBER 8, 1872.

See first page for interesting read-

Hon. Dr. Tupper and Hon, Mr. Tilley went East yesterday.

Hon. Mr. McKeaghney, of Cape Breton, has been appointed Puisne Judge of the Court of Queen's Bench in Manitoba.

We understand that all the railways the Maritime Provinces are to be placed under one management, and that Mr. Carvell, of the European and B. A. Railway will have the control of them.

resigned.

he denies, as utterly untrue and unfounded, the stories of accidents, hardships, and distances with to have hafellen the survey.

According to Proper such the conscience of the Mc-denies, as utterly untrue and unfoundable to be should not deter you. God has bless ble should not deter you. God has bless bl disasters said to have befallen the surveysing parties. He says that with common long parties and with all cornectness are all cornectness and with all cornectness and with all cornectness and wit culties attendant upon getting through the policy which ought to be pursued, and Corruption.' the Cascade range of mountains, but it is only those who were really opposed to mountable, while in the interior of the Anti Unionists of the Maritime Provinces, THE UNITED STATES FLAG 10 BE the tables of the law; ours contains the Christians, and the life of a Chaistian must Russell & Watson's, on Thursteen the tables of the law; ours contains the life of a chaistian must Russell & Watson's, on Thursteen the tables of the law; ours contains the life of a chaistian must represent the substance; the su Province long stretches of country re- had in reality any intelligible ground of markably easy for railway construction opposition to the Government. They dehave been found, which will bring the sired to see the Union prove a failure, and average cost of the Pacific Railway per therefore there was some reason in their cerned, to quite a reasonable figure. This is in all respects gratifying intelligence.

In the last number of the Canadian been opposed to each other on certain the Guildhall in London, the conditions of th Mostrary appears an article on the saugest and political morality forever afterwards of "Political Corruption," in which the writer laments the progress of electoral writer laments and progress of electoral writer laments are also and political morality forever afterwards and political morality forever afterwa demoralization in this country. He says important public question which might or molestation between the points named. Him under the veil of his love, to receive and fortified by and home, and family and country, and demoralization in this country. He says that "corruption has made a gigantic arise, he, after being professedly a warm controversy was vehemently carried on the says arise, he, after being professedly a warm controversy was vehemently carried on the says and home, and family and country, and life itself. This is history. And is that "corruption has made a gigantic stride among us, It has not only increased in amount, but attacked classes alliance with those who in the Lower Probitherto untainted; not only the venal vinces were endeavouring to overthrow his belief that the English hated the American description of the temple that time. No it is not dead. It is living and at work amongst us, What our friends will soon stand in the midst of you. And hitherto untainted; not only the venal populace of the cities, but, in .too many of such materials that the party compospopulace or the cities, but, in 100 many of such materials that the party compos- British blood would be so embittered as to the Deity descend upon the ancient in the neighboring States, where they are forget their self-respect, and to accept the bribe which, a few years ago, they the bribe which, a few years ago, they would have rejected with scorn." This which the essayist can with little trouble would have rejected with scorn." This winds the construction or research verify for himself. He can system of wholesale political corruption or research verify for himself. He can system of wholesale political corruption or research verily for nimself. He can be ginning made, of a temple minion. proves it. What you yourselves about gas "with the illuminating power of three candles." Does this mean that which according to the essayist disgraces then form an opinion as to the political made of the candles." Does this mean that the political corruption of the essayist disgraces then form an opinion as to the political corruption of the essayist disgraces then form an opinion as to the political corruption of the essayist disgraces then form an opinion as to the political corruption of the essayist disgraces then form an opinion as to the political corruption of the essayist disgraces then form an opinion as to the political corruption of the essayist disgraces then form an opinion as to the political corruption of the essayist disgraces then form an opinion as to the political corruption of the essayist disgraces then form an opinion as to the political corruption of the essayist disgraces the essay the which according to the essayist disgraces which seconding to the essayist disgraces then form an opinion as to the political morality of men composing such a party, and may ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such a party ultimately be able to give a composing such as party under the composing such as party un political parties alike. He ridicules the land may ultimately be able to give a and hence the tour soon to come off. The ides of the Opposition lesders being any pretty snrews guess as to whence what then children of sacrifice go on all that a girl in Illinois has drowned herself together; have but one body as you have a first day of September. I class and his graces with the bounty of a to show that they are as ready to bribe The panacea which the writer in the to show that they are as ready to office and buy up votes as ever they have preand buy up votes as ever they have pretended that Sir John Macdonald was, he
