fashion renders the skirt of the dress very heavy, no lining is placed therein, a simple facing being used. Dress braid is no longer used for the bottom of the skirt. A plaiting of wigan a finger wide comes for the bottom of the dress, which serves to protect it very much. This is sewed upon the facing. The little felt and beaver hats with

silks, are very becoming to fresh young faces. A long plume with a velvet band around the crown is all the trimming re-Bands and aigrettes of peacock feathers are much worn, especially around the Al-

pine hat, which is a felt chapeau in black or grey, precisely the same shape as that worn by the gentlemen. The only difference in the two hats consists in the Small birds, satin flowers and leaves, costly ornaments of jet, rich lace, watered

ribbons in new exquisite shades, are the favorite garniture for the fashionable hat-Beautiful parures of flowers for ball dresses, consisting of corsage and shoulder bouquets, trailing clusters for the skirt, and a tasteful group for the hair, come in a great variety of blossoms.

In the way of small articles of dress, we note nothing new, except the pretty three cornered handkerchief or ficaus of silk, richly trimmed, which are worn on dark dresses with a very pleasing effect. The leather belt with small satchel, vinisgrette, etc., etc., is as popular as ever, and is really a very useful adjunct for the
