ELECTRICITY IS LIFE

PULVERMACHER'S PATENT GALVANIC CHAIN-BANDS, BELTS AND POCKET BATTERIES

These highly improved inventions render Electricity perfectly self-applicable, and extremely efficacious in a mild continuous form on shock or unpleasant sensation being experienced, whereby it becomes a true fountain of health and vigour, speedily soothing agonising pains, re-animating torpid limbs, reviving the sluggish functions of life, and imparting renewed energy and vitality to constitutions enfeebled by whatever cause. Medicines and their deleterious consequences are thus entirely dispensed with. The daily increasing number of cures effected by PULVERMACHER'S MEDICO-GALVANIC SYSTEM is so extensive and varied, that it forcibly points to this invention as the embryo of a universal remedy.

N. B.—The following testimony from the elite of the English medical faculty has been received

"We, the undersigned, have much pleasure in testifying that Mr. J. L. PULVERMACHER'S recent improvements in his Voltaic Batteries and Galvanic Appliances for Medical Purposes are of great importance to Scientific Medicine, and that he is entitled to the consideration and support of every one disposed to further the advancement of real and useful progress.

"Dated the 9th day of March, 1866.

SIR CHARLES LOCOCK, Bart., M. D., F. R. C. P.

SIR HENRY HOLLAND, Bart., M. D., F. R. S.

SIR WM. FERGUSSON, Bart., F. R. S.

EDWD. H. SIEVEKING, M. D., M.R.C.S.

SIR J. RANALD MARTIN, F. R. C. S."

PULVERMACHER'S SYSTEM is also approved of by an official report of the Academie de Medicine, Paris, Royal College of Physicians, London, and the Imperial Faculty of Vienna, and its curative virtues are confirmed by thousands of private testimonials of cures effected. (See pamphlet gratis).

These facts appeal to the good sense of every sufferer to avail himself of this scientific and curative progress, to which the inventor has devoted a life-time of study and labour, as an ardent disciple of that great benefactor of mankind, the late illustrious electrician MICHAEL FARADY.

PULVERMACHER'S MEDICO-GALVANIC CHAINS are exceedingly effective without the aid of medicine, restriction of diet, or the least derangement of the patient's habits and daily occupations, in the following maladies

Rheumatism	Female Complaints
Gout	Constipation
Sciatica	Cramp
Lumbago	Sluggish Circulation
Neuralgia	Urinary Disorders
Head and Toothache	Paralysis
Liver Complaints	Epilepsy
Tic Doloreux	Nervous Debility
Indigestion	Functional Disorders
Deafness	&c., &c.
Spasms	

The effects of the application of Pulvermacher's Chains in any of the above disorders is immediately perceptible—the relief of pain instantaneous.

PRICE LIST OF PULVERMACHER'S CHAIN BANDS AND BATTERIES.

Cure of Bronchitis.

Smithfield.

J C Chamberlain, Esq—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year, without receiving any benefit, in fact I continued getting worse all the time. At last I was advised to try the Great Shoshoneer Remedy. I bought a bottle and took it and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness and have been so ever since.
