A FEW IMPORTANT PACTS. We have been informed that about three weeks ago, Lethbridge told Mrs. Bucke that he had taken an ounce of laud anum, but that it did not do its work,

session a little bottle that will not fail .-This language could not be taken in a jocular sense. He was not given to such humor, and we think Mrs. Bucke proved very remiss in her duty in not having proper and timely watch put on him. At the inquest on Saturday the several druggists were examined to ascertain from whom the Prussic acid was purchased .some trouble arose between the Coroner and the Jury on the druggists, but the vendor of the acid was not learned. Mr

Smith was also examined, and related encounter with Lethbridge latter ultimately apologizing After having apologized Lethbridge said made a mistake in assaulting you; i is with some person else I have a crow to Before retaliating upon Lethbridge, Mr. Smith enquired of Mr. Bucke if he

(Lethb idge) was of sound mind. Mr.

B. answered that he was eccentric, but Dr. McGillvoray gave the following evidence on Saturday to the jury : The dead body of Albert Lethbridge was found lying on its back on a bed in his lodgings. Backerville vs. Otterson was decided in It was cold and rigid, and appeared as if death had taken place without a move or a struggie. The features were pale calm and placid. It was dressed in ordinary office clothes, except coat and vest and socks. which latter were re-placed by slippers, The collar and tie on the neck.

The hands were clenched; fingers and nails blue. The most dependent parts of The thoracic organs were healthy. There was hypostatic congestion of both migs the rittle heart was gorged with blook. The abdominal viscera we. .. a healthy condition, As the vital organs in the seve al cavaties shewed sary to analyze the contents of the

The stomach was distended with gas and contained about three ounces of liquid of a brown port wine color. A careful chemical analysis of this liquid discovered prussic said in large quantity, shewing that fully an ounce had been taken. The teacup found on the bed was washed, and the washings proved to contain prussic scid. The one ounce bottle found on the bureau at the head of the iquid which, on being analysed by the same reagents, were proved to be prussic

From the examination I have made, and the facts elicited by the analysis of the excessive dose of prussic soid.

tered by his own hand, while in a state of letter and that the box containing the money be placed in the Montreal Bank for

POPULAR ERRORS.

It is a popular error to think that the we gave a brief history of Albert more a man cats the fatter and stronger he will become. To believe that the more hours the children study the faster they Mills. will learn fo conclude that, if exercise is good, the more violent it is the more witnesses examined, proved beyond good is done. To imagine that every hour taken from sleep is an hour gained. To act on the presumption that the smallest room is large enough to sleep in. To magine that whatever remedy causes one and deliberately hunched his soul into to feel immediately better is good for the eternity. But it is an axiom old as the statem, without regard to more ulterior effects. To eat with an appetite, or to continue after it has been satisfied, merely to gratify the taste. To eat a hearty supper for the pleasure experienced during the brief time it is passing down the throat, as the expense of a whole night of disturbed sleep, and weary waking in the
