Auction Sale of D maged Goods-A Rowe

TUESDAY, NOVEMBER 19 1872

Sir John Macdenald will probably reach Ottawa this morning, as it was stated yesterdsy that he intended to le-ve l'oronto

We beg to direct the attention of our resders to the report of the Ottawa Valley Immigration Society. The policy pursued by this organization has borne good fruit, in Saturday's Globs. and will no doubt produce greater results In the future.

There will be a meeting of the Prive Council this or to-morrow afternoon .-Rumor has it that the question of the appointment of a Lieutenant Governor for afford the space to enumerate the names filling up of the expected vacancy.

rather than general significance.

The good people of Montreal are to them to witness the inauguration of the Queen's statue by His Excellency the Goinviting as a work of ert, and as a pertrait it is very nearly, if not quite innohowever, and can therefore afford to be placed upon a pedestal high enough to save it from the close examination of carping critics.

Lord Dufferin, during his visit to Montreal for the special object mentioned will be the guest of Sir Hugh Allan, at whose mansion His Excellency will doubtless find the arrangements made for his comfort both elegant and complete.

Nothing can be more healthful for the community than a well organized system | says: of evening's entertainments. These may be provided in many ways. The churches may have their I'ea Meetings, the Literary Society their essays and debates, and the "unattached" in y go into the business of Penny Readings or Amateur should be variety in kind, and perhaps also difference in quality

Heretofore the city has not been has not attended the philanthropi exertions of those who have catered for the intellectual appetite, may possibly be accounted for, partly by the lact that our victorious in almost every contest. city is one of very magnificent distances, a very scanty supply of street lamps. These drawbacks can only be in part remedied, so there must be a division of labour in order to bring these enterminments as near as possible to the homes of the ; eople in different quarters of the city. It has given us much satisfaction to learn that a vigorous effort is now being made to convert the coming Winter evenings into sources of enjoyment and instruction

is no better compound, humanly speaking. for the sustenance of the intellectual man. than instruction combined with rational

Hon. Wm. Macdougell frequently lays in favor of Mr. Mowatt! himself open to attack by his outspoken manner and his habitual disregard of consequences. He has been a ligned by the organ of his former levier, for his speeches in Welland ; but Listory tells us sent popularity mainly to the vigour of Mr. McDougall's pen. The Globe has two ability as a caterer of news, the other its Macdougall was one of the principal con-
