Ottawa Chirt Store - James Angus Tenders Wanted-Gilmour & Co. Lady's Waterproof Overskirt Lost

Rare Changs for Business - H F Lemont .

WEDNESDAY, NOVEMBER 20, 1872.

The local political squabble was settled direct sanction of the people for fied public events, and from his false prein Welland yesterday by the election of holding his position. It may be objected mises draws er bous deductions, and in Mr. Thompson. "The result is one w" ch | that the movement referred to is directly | his egotism heily believes that he, and need not excite surprise. Two local men opposed to the legislation of 1\$66; but to he alone, is the exponent of public have feught out their battle, and one of that objection we have simply to reply opinion He laskes the Gladstone Adhem has won. We never regarded that for that legislat on Messrs. Mac- ministration for impute I wrongs to Canada, Mr. Thompson as an Anti Ministerialist kenne, McKellar an Cameron were and calls on the Colonists to break the tie and for that reason never sympathized with mainly responsible. They being then, as that binds then to a glorious past, and to the opposition so severely waged against it is now, chiefly compend of country the hope I for still mer, glorious future. him. The following telegram to the To- representatives knew little of city wants. ronto Leader will go far to show that our But the citizens of Strawa are not we first estimate of the contest was a cor. think, opposed to exercising the privilege of electing their own Mayor. This Clifton, Nov. 17, 11:30 a. m. - To the Edi- is said without any intention of disrespect

tor of the Leader. Siz, The Globe of Satur- towards the present worthy incumbent of day's edition, under its telegraph heads, makes me say, in a speech which I delivered at Ridgeway, that if elected, "his (my) first and great duty would be to use at those of a scheming Council Board. all his efforts to hurl from power the most corrupt Government with which any free country had ever been cursed." Inasmuch He arrived yesterday and will probably as I never uttered such buncomb, nor in tend to allow friend or foe to draw me out of my own laid out path, I give a flat contradiction to the above quotation. W. A. THOMPSON.

This is even more than full confirmation Anthem should be played on the organ of our first contention, that the contest was one of local politics, and that the Ministry had nothing specially to do

particular occasions to pray that God may save the Queen. It has long been the ha-The election which has been just decided in Welland counts merely what the bit in Presbyterian churches to pray for friends of either side are able to make of the Queen, the Royal Family and all set in it. To count is a political triumph would authority over us, and there is surely n good reason why a Scottish congregation be a grand mistake. To say that Ministers made a blunder in going up there to may not sing the national anthem praying deleat their policy would merely be to for the preservation of Her Most Gracious accuse the Opposition whose leaders did Majesty. Assuredly this is an age of advancement, but the Globe does not appear likewise. But the Times accuses nobody. If it had been right for the Opposition in this matter, at least, to keep pace with leaders, surely it was right for Ministers to air their views. The case is strong in We clip the following from a Victoria favour of the leaders of both p arties, what (British Columbia) newspaper. The honthey have made by their action they orable gentleman alluded to is indeed

themselves can count at their leisure. aray by nature, as he is Gray by name There is this, however, to be remarked, but his eye has not yet become dim, not The political "Home Mission," when run has his natural strength abated. We sinby a noisy opposition has the appearance cerely hope that he may be spared for of patriotism about it; when Ministers many long years to ornament the Bench of with even moderate salaries engage in the "Home Mission" business they are accused of fighting merely for their pensions. But when an Opposition member presents altred" were Hon, Judge Gray and son himself it is all counted for patriotism. The honorable gentleman was cordially There is no possible way of preventing received by many old friends. In appearance the new Judge is as gray as his this. The Opposition will have the benename, wears side whiskers and moustache, fit of this cry, and any attempts to piand is exceedingly affable and gentlemanwent it will just be so much of love's [ly in his manner. If we mistake not, the people of British Columbia will have no

labour lost, But what are the actual facts? A constituency which returned a Clear Grit to the Local Assembly has now sent an Independent to the Dominion Legislature. No very great triumph can be made out of this on grounds that are defensible by between that point and Sarnia has been fair argument. As we have already said, the Welland election is one of purely from the commencement of contest we regarded the election of Mr. Thompson as a very probable consequence. and one by no means to be dreaded, un- company upon having accomplished this less Ministers had rendered his position of first step in what we trust will speedily independence too disagreeable to be follow, the change of gauge on the entire
