The chief panic was among the servant girls, who were huddled half-dressed, cowering and hysterical day, when the Books will be on view. present himself at the forthcoming elec- satisfactory, then it should be thrown out cal, into a single large room on the first Terms cash. tion of the County of Montmorency, in op. entirely, and the first prize awarded to No. floor. One of these, belonging to the 3 (Mr. Sims, and the 2nd to No. 7." (your | cleaners, Mary Ann Fagan, was caught by the fiames in one of the upper rooms, For all of which reasons your petitioner and either losing her presence of mind or and is already canvassing the county for humbly prays that your honorable body, being suffocated by the smoke, was badin order that justice may be done, will re- ly burned, in fact almost to a crisp, before she managed to make her way out and CHRIST CHURCH READINGS. And as in duty bound, your petitioner crawl down stairs, stumbled over by a hurrying crowd. She, with another woman, Mary Jane Heevy, who was less shockingly burned, was taken to the nearest hospital. FRIDAY EVENING, the 13th instant Another sufferer was ----- Riley, a fireia GOWAN'S HALL, at EIGHT o'clock, man, who fell through a skylight a distance of some twenty feet or more, and besides being badly cut and bruised, was nearly suffocated by the dense smoke of which he was endeavoring to introduce a hose. It is believed that many other casualities have occurred. A second alarm was sounded at twenty nine minutes past eleven, and under the efforts of half a dozen more engines the fismes were At about twelve o'clock last night, the gotten under control apparently, but they ocupants of the Fifth Avenue Hotel were soon broke out above the roof again. OTTAWA LITERARY AND SCIENTI. alarmed by the cry of fire, and the great. The difficulty was in getting at the fire. covered that it had actually broken out in | intervening partitions torn down, while a that stately and much-frequented build. hole was broken through the roof from ing. Smoke was first seen issuing from inside to carry another hose through.
