The Fifth Avenue Hotel horror, with its The indictment having been read, the first witness called was Andre Riopelle, untimely death, has been repeated there would be a little snow he would go as well known in political life and at the the told him the price was \$160; prisoner had ing the office of W. End, Esq., at Bathurst, horse up the Gatineau and did not like before, any general alarm was him I would charge him for the hire of raised, Mr End was seen with the keys of the horse. He said he would like to try his office in his hand, hastening towards the horse; I asked him how long he would the burning building. He appears to be away; he said perhaps a couple of days; have got there earlier than any one in the I said even if you take the horse ther, I vicinity, and, hastily unlocking the door will charge you for the hire; all right, he to have entered, no doubt with a view to said, and went off. This was on the Mon- save the books, papers, and other property. day, and I did not see him again till the But the all devouring element had made following Saturday evening, when he came | too much progress to permit a living man to my place and bade me good to exist there, and the penalty of crossing evening; I asked him how did his the threshold of his own office was death! horse, he said he was going to keep him; focated at once by the smoke, sank down \$1.75 to \$2.20 for white do. Latter very I said all right. He saked what was the as soon as he entered to rise no more, or price of him; I told him \$160; he said he whether he advanced some distance into had not brought any money but would the building, and all too late discovering return on Monday. I then asked him that the heat and smoke were too powerful where my horse was, as I thought he for him, attempted to return, and fell by might be standing at the door. He said the door in a vain effort to escape. When finally he left saying he would be When the fire had, by great exertions, back on Monday. Did not see him after- been got under, Mr. End's charred remains wards until after he was arrested, saw the were found, and they were but remains horse after he was brought back; he was for the fire had spared but little of the prisoner by sight; heard that he was and melancholy spectacle, and one which employed on the Grand Trunk Railway. those who witnessed it will never, and can He got the horse on the 2nd of this never, forget. No doubt exists in the month: I keep a livery; he come about mind of any one in Bathurst, that the fire nine o'clock in the morning; he speke to was the work of an incendiar, a circum-me in the bar-room and asked me for a stance which invests the occurrence with rig. The horse he got I wanted to sell as an additional horror. We hope the it was rather flery for a livery stable; he wretched incendiary, whoever he may be

did not promise positively to be back the first night; the harness on the horse did even if he should succeed in cluding susnot please prisoner, and he went and got picion, at the inquest which is now being a set of harness of his own. The price of held over the remains of the man whose the horse was fixed before he life he has taken, it will avail him but left. On his return, and finding little. If he has a spark of conscience that he had no money, I said left, he need never hope to know peace if he brought me the money on klonday, of mind again. it would be all right; won't swear I said Mr. End was a native of Ireland, and it would do on Tuesday; know prisoner's had atfained an age of upwards of seventy father, saw him in the Police Court; he years. He was admitted as an attorney of came to my place the day after the first this province in February, 1823, and beexamination at the Police Court; never came a barrister two years later. He was said I would take the rig back, as it was a long time in political life, as a representoo late; told his father that I had made tive of the County of Gloucester, but for a

the bargain with the prisoner, and if his good many years prior to his death, had telegraph for him, I would prosecute His politics and his career belong to a past him; recollect of seeing prisoner when he generation, land though a man of great Detective Pinard proved to arresting name is not identified with any great or Alfred Hill, freight clerk St. Lawrence discussions in which he took part have & Ottawa Railway, sworn-Prisoner came been settled long ago and are well night dismissed with costs. Two of the sitting ber, and wanted to ship a horse, cutter and harness. I sent him to Mr. Taylor, his death, held the position of Clerk of the sured the prosecutor as the real delin- and he brought me an order from Mr. Court of the County of Glouchester and Taylor, and I shipped the horse, cutter Stipendary Magistrate. He was also one and harness by the 12:40 train. The of the Trustees and Directors of the day last, and I handed them over to
