DECEMBER 26th, 1872. Their Excellencies the Governor General and the Countess of Dufferin will be at home to receive visitors between the hours of 3 p. m. and 5 p. m., on New Year's

F. B. COULSON. A. D. C. in Waiting.

SATURDAY, DECEMBER 28, 1872.

Inferior structures for public assemblies are not confined to this side the Atlantic, as may be seen from our cable news wherein is recorded the fall of a floor at a missionary meeting held at Saltord on Thursday, Human life is too cheap, or substantial architecture too dear.

SEE FIRST PAGE.

Yesterday afternoon a deputation of have been, to hear of your continued well-Wright, waited on the Minister of Public Works to urge the necessity of deepening the saw log channel at the Gatineau boom. Hon. Mr. Langevin promised to trials in your families; but we feel that take the project under favorable conside had you remained in London you would eration, but gave no definite assurance as have been equally liable to such troubles,

If the telegrams are to be relied on, the | since July, 1868, Britain has been averted by the latter's assuring the former of the continuance of they will write at once, and feel assured

which appeared in a city contemporary yesterday, was quite uncalled for, under test. But when Alderman Mosgrove's all make a Christmas gathering for this character for one term, or even for two; but when we find that Mr. Mosgrove has so many times received the confidence of the electors, and now retires from the contest | to be followers of Christ, we would urge it of his own choice, there is no especial reason for challer ging him on his record, they would not be adorning the doctrines without showing in what particular he has they profess to believe. failed. The badenage may pass as a mered. We hope none have forgotten the meetexhibition of good humour, or of bad feelof the electors of St. George's Ward; and strength and comfort to their minds. that he retired from the contest of his own accord.

The tree there used was the palm, and the ceremony was in full force long be. GENTLEMEN. fore the days of Autony and Cleopatra. The palm puts forth a fresh shoot every month. In the time of the winter solstice, when parties were given in ancient to canvass, and cannot, as I now perceive, Misriam, a spray of this tree, with twelve get the the time to canvass before the shoots, was suspended to symbolize the completion of another year. The custom passed into Italy, where the fir tree was employed for the purpose of celebration. and its pyramidal tips were decorated with burning candles in honor of Saturn. The festival, the Saturnalia, was observed at the winter solstice, from the 17th to the 21st of December, and during its continuance Davus was as good a man as Chremes. The Singillaria, days for inter changing presents of tigures in wax, like those on the Christmas tree, followed; and, finally, the Juvenalia, when men became "boys with boys," matrons turned children once again, and young and old indulged in the solemn romps with which the festival closed, and which used to mark our own old-fashioned testivities at Christmas time. That the Egyptian tree passed into Jermany, may be seen in the pyramids, which someimes there are substituted for the

But the antique Northern mythology has supplied some of the observances. The Juel Fesi was the mid-winter " Wheel TICKETS, 50 CENTS, LADIES FREE Feast;" and the wheel represented the circling years which end but to beg n again ed to attend in uniform The yule log, in front of which was roasted the great bear-an animal hateful to the God of the sun, but the flesh of which was religiously eaten by his worship, ers At this season presents were made, which were concealed in wrappers and flung in at open windows, emplematical, we are told, of the good, but as yet hidden things, which the opening year had in The Church generally made selection of

R. W. SCOTT. Commissioner of Crown Lands, Ottawa, December 28th, 1872.

Tuesday, 24th day of December, 1872 HIS EXCELLENCY THE GOVERNOR

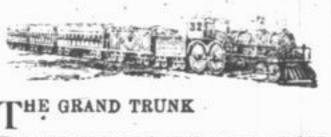

GENERAL IN COUNCIL

WHEREAS by the Act passed in the 35th year of Her Majesty's Keign, entitled : " An Act to amend an Act of the present Session and to enable the jovernor in Council to impose a duty on Tea and Coffee imported from the United States in the case therein mentioned" it is provided that if at any time any greater duty of Customs should be payable in the United States of America on Tea or Coffee imported from Canada than on Tea or Coffee imported from any other country. then the Governor in Council may impose on Tea or Coffee imported into Canada from the said United States a duty of Customs equal to the duty payable in the United States on Tea or Coffee imported from Canada; provided that Tea or Coffce imported into Canada from any country other than the said United States, but passing in bond through the United States.

AND WHEREAS the contingency contem plated by the above recited Act has occurred, and Tea and Coffee imported into the United States from Canada are subject to a duty of ten per cent, ad from countries east of the Cape of Good Hope, are free from duty.

His excellency in Council on the recom- | Cherries, Plums, Apricots, Rhubarb and mendation of the Honorable the Minister | Apples. of Finance, and under the authority aforesaid, has been pleased to order, and it is hereby ordered, that a duty of ten per cent, be imposed, and the same is hereby authorized to be levied and collected on | Pine Apple, De Argeot, Orange, Straw-Tea and Coffee imported into Canada berry, Gooseberry, Capillare, and Syrup of from the United States of America.

W. A. HIMSWORTH. Clerk, Privy Council

OF CANADA Notice is hereby given that an applicaion will be made to the Legislature of the Dominion of Canada, at the next sitting thereof, for an Act to continue the

GRAND TRUNK ARRANGEMENTS ACT, 1862. equipment bonds, or the creation of some other equipment security to an extent not to exceed One Million and a half Sterling; and for other purposes.
