> 'Hyde Park agitation' has existed now or several years. The right to hold pubic meetings in that place of resort has been denied by the Government and as serted by various political bodies, and the controve sy has given rise to much illfeeling, and even riot and bloodshed. At length Mr. Bruce, the Home Secretary, has settled the matter by conceding liberty to hold these meetings, only restricting them to one locality, and setting forth rules for the preservation of public order and propriety. The new arrangement is rioting is likely to take place. -Mr. Holyake, one of the chief agitators on the sub ject, writes to the Daily News that he and his friends are gratified by the action of Mr. Bruce, but he uses words which show how much of the desire for liberty now given arose from a spirit of opposition sought. He says, "After the manner of Englishmen, I dare say we shall not go now we can go; but we should always be going if we could not go," and he is procably right. At all events Mr. Bruce did right in removing any excuse for continuing the struggle.
