PARRWELL LECTURE BY MISS SHERLOCKE.

A very interesting lecture was delivered by Miss Sherlocke, on ' Lights and Shadows of Boarding House Life, last evening, in the Temperance Hall. It is to be regretted that the audience was very small. The question was very ably

rough knowledge of the subject. Mus Sherlocke, after coming upon the slumbers last night, or rather this morning platform, excused herself for lecturing about 12:20 o'clock, by a noise in the kitwithout a chairman. After a few remarks chen. Mr. McGivern at once went to the on the individuality of man, she referred kitchen and there found a man delibedecided section; but what will our to the subject of the lecture, Boarding rately looking around, evidently with the aloof and the French Consul still Houses. She said that she had had consider intentian of appropriating for his own use a ble experience in boarding house life have articles in the room. The entrenes had able experience in boarding house life have been affected through the window, which the situation generally. The Sultan, it ing for the last three years spent the most been effected through the window, which of her time in them. She first referred to was left open to allow him to leave if ne. Mon lay Evening, May 5th boarding House landladies. There was first cossary, very quickly. Mr. McGivern at of her time in them. She first referred to was 1srt open to all the McGivern at boarding House landladies. There was first open to all the talked over boarding House landladies. There was first open collared him and endeavored to force Proceeds to Membasa Sir Bar. the pious landlady, generally a spinster of long down into a chair. The fellow was a a certain age, who seldom smiled, and him down into a chair. The fellow was a when she does it has a deathlike appear. large, powerful man, more than a match | TICKETS:ance. She was particularly anxious to for his captor, and showed fight, when there ance. She was particularly anxious to know what church her boarders went to, and if they did not attend church on Sunday, she gave them a lecture. There was the standard on the scene, in the peraperson of the Assembly.

May be had at Northelmer's Music Store, and at the door on the evening of the Assembly.

W. HORACE LEE, Captain, which she at once presented at the fellow, which she at once presented at the fellow.

that | move a step," "not to dare to." He saw aid not keep a boarding mischief in the young lady's eye, and at house from necessity, merely for company's once colspsed, dropping into a chair, and sake. She attended all concerts, balls, all at once becoming very drunk and mutparties, etc., rode in her carriage, and assumed intimacy with none but persons of quality. Her appearance was such that it was thought that she was at any moment likely to be married to a millionaire. Then there is the jolly landlady—
generally a lady of about forty, and a
widow. She was always happy, always
smiling. Other landladies had most unruly boarders, but she seldom or never.

That it was thought that she was dealy
pointed at the midnight prowler. After
a discussion of the situation, and at the
earnest desire of Mrs. McGivern, who was
rather nervous while the man was there,
the door was opened and he was let go.
Drunk as he was he wanted no second in-When a boarder carried on she pulled his ears for him in a good-humoured way, and he felt as if he would like to kiss her. She petted her boarders, and was well liked by them. Again, where was a landated as the damp landlady. She was a landated to be a Norwegian or Danish sallor. The family were then able to retire, congruing themselves on their victory, which was principally due to the place of

anything. A person would imagine she which was principally due to the pluck of was born on a rainy day. The lecturer Miss McGivern.—St. John Tribune. next referred to boarding houses. Board ing houses had generally the stamp of the landlady about them. When one was in search of a boarding house, he could tell that he was near one before he got within twenty yards of it, from the odor of hash which issued therefrom. Some boarding houses were distinguished for the quantity of molasses which was everywhere to were divided into cliques, which were de-termined by the characters of the differ-Usion House. - J Brown and wife, Ayl-mer; C Treater, Montreal; W Stephenson, social boarder, the too social boarder, and

A FIFTING REWARD.

CHIFT EROM THE PRIVY COUNCIL TO W.

On Tues hy atternoon last, at 2 o'clock, Mr. Lee, late clerk of the Privy Council, was presented with a handsome testimonist. It was a fine and substantial silver urn, made in England specially for the purpose. It cost £100 sterling, and has the follow-

Ittawa, 30th June, 1872 Sir John A. Macdonald as premier, presented the testimonial in the presence of esteem which they entertained towards Mr. Lee. As an old personal friend of that gentleman, he felt much gratified at being the medium through which the presentation was made. In presenting the testinonial, he asked to be allowed to express the heartfealt wishes of his colleagues and himself for Mr. Lee's future, and hoped

that he would live long to enjoy it. Mr. Lee briefly replied as follows: Guntamen, - lam extremely obliged to you for these kind expressions of your regard, and gratefully accept the handsome testimonial which you have presented to me in recognition of my long services in the Civil Service of Canada, as a tingible proof of the confidence you have ever reposed in me in the discharge of my duties;
