SPANISH POLITICS.

The State of Parties in Catalonia. [From a Spanish; Corresponden',] Bancetona, May 15 - Hannibal at the gates of Rome caused no greater excite- Nervousness is not identical with cowardment in that city than that produced in ice, but a person suffering intensely from this town by the unexpected news that a it imperatively needs sympathy. Probably Carlist band had penetrated into the had these nervous bridegrooms had friends neighboring Mataro, exacting money, and who gussed their feelings and dared to carrying away a number of persons from speak a few plain words all would have whom they hoped to extort a high ransom. gone well. To go through an ordeal with-Public indignation attributes this audacity out being able to confide to a soul your of the royalists to the incapacity and care. hopes, fears, and feelings, is to highly lessness of our military commanders. -trung, nervous organizations terrible --With such generals everything is possible. people said, and therefore the rumor that Savalls stood, with 1,500 men only five miles from this town found easy credit Forces were sent there, and, of course, the rumor turned out to be false. The general mistrust in our military organization is so great that people begin to get uneasy, o much the more as the ultra republican

ment, the number of extreme Federalist Deputies being exceedingly small.

The fact that none of the parties hostile to republican institutions have taken part in the elections of this town was the cause electors have taken the trouble to vote, and the number would certainly have been even much less were it not for the electoral districts the extreme Federalists had put up their own candidates against what may be called the ministerial ones. Only in the first district they had a chance to get their candidate through, but their adversaries availed themselves of all those official influences against which, under shrink from provoking a tumult in order to secure the election of their candidate, the

President of the Deputation Provincial. The real difference between these two shades of republicans consists in this, that the instransigentes will not admit any other form of constitution but a very loose confederation; whilst the others, the great majority, as it seems, of the elected deputies, stand for the sovereignty of the vesembly. There is still another fraction eign governments, which have been carof republicans who do not secognize the lying on one energetic correspondence in legality of this Constituent Assembly, and the matter. Even this concession is too therefore have not taken part in the elec- much, however, for the members of the tion. Universal suffrage, they say, will be a lie as long as we shall not be able to instrumental in calling out the objectionelect whom we like—in other words, as long as deputies will be obliged to exercise the House of Deputies some days ago, may be found to have set out fires on such lands during the months of the months of the crown who their charges gratis. This is also one of the during the months of the months JUNE, JULY, AUGUST AND do not take part in the elections. The intermediately bring in a bill proposing that an irroneunceable allowance of the Roman people did not wish the extreme measures urged by the extreme Left. To this Ruspoli answered that this assertion was not true, but that the Roman people did not wish the extreme measures urged by the extreme bill proposing that an irroneunceable allowance of the formula that the Roman people did not wish the extreme measures urged by the extreme measures urged by the extreme bill proposing that an irroneunceable allowance of the formula that the Roman people did not wish the extreme measures urged by the extreme measures are the first true measure lowance of ten france a day be made to the man people did want the Deputies, commencing from this yeary legislature. They scarcely hope to carry the bill, but it will help to serve them as riot, is generally considered to be a result a means of agitation. To day 1 have had of these words. It was announced as to a means of agitation. To day 1 have had an opportunity to ask one of them-a deputy for a neighboring rural districtfor his opinion about the general aspect of the country and his hopes for the future. He told me he thought our politibope to see a federative republic coming out of the deliberations of this Constituent Assembly was grounded on the unwilling-ness of most of the deputies to take on themselves the responsibility of bloodshed, which would become inevitable if the
