SATURDAY, JUNE 7, 1873.

The Department of Marine and Fisher ies received information yesterday, by telagraph, via Pictou, Nova Scotia, from the Collector of Customs, at Magdalen Islands. stating the ship 'Philadelphia' is a wreck at Bird Rocks, Gulf of St. Lawrence. The crew have been taken off the wreck, and have been sent to Quebec.

Italy has lost one of its statesmen of the new school in the person of Count Rat at the present day. So true is this that tazzi. He was a disciple of Cavour, but both sides of the Houses of the Legisla somewhat less unscrupulous in the adop- ture agreed to a general advance in the tion of means whereby to gain his ends. He has lived to see the "unification of Italy" completed in everything but the tion" the workmen employed on the Inone essential-the general sympathy of tercolonial Railway have received an adthe people. The Garibaldians or Republyance of pay within the last three years licans were the real promoters of unifica- of over thirty per cent. tion : whether the monarchy will fall into ... BAZAARS AND CHURCHES

We are glad to see that the Synod. he Diocese of Ontario at its last meeting, raffies and other species of gambling in connection with Church work are condemned. A motion also condemning Bazaars' was withdrawn. As to "Bazaars' in themselves they are probably harmless; but we cannot help feeling that a much more satisfactory mode of obtaining money for churches might be found "Bassars" conducted as they now too often are, are simply a scandal to any religious body that has anything do with them. We venture to say that the same practices, if met with in the ordinary way of trade, Ottawa and North Wakefield, leaves Brown's would be pronounced swindling; and they besides lead to conduct on the part of young ladies, which, if it occurred in another place would be called improper to Special to Gentlemen of which mention is made in the resolus tion over which it has control.

THE GREAT DESTITUTION

We read with profound astonishment resolution proposed at the Synod of Episcopal Church, for the Diocese of On tario, recently held at Kingston. resolution was not adopted; but the very proposition is enough to arrest attention, As an apology, or "pious fraud," for not giving more to the cause designated the resolution, it was mexcusable because contrary to the fact; as a representation of the actual condition of the country was a gross and unpardonable libel.

The resolution begins by saying "that notwithstanding the great destitution existing in Canada," &c., &c., and the whole context implies that the "destitu tion referred to was a financial one, as the preamble quoted was eridently intended to be an excuse for not granting more liberal support to the funds of the society mentioned in the motion.

do a did Kevds. Messrs. Burke and Craw ceived a proportionate their perishable produc's live stock have more than kept their there have been no serious derangements in monetary circles, and commercial bus ness generally has been expanding at rate hitherto unknown in the country.

" Notwith standing the great destitution," &c., &c., labor has scarcely ever before been so much sought after, nor have wages been higher in Canada than
