GRAND TRUNK RAILWAY
NOTICE.
The gauge of this Railway between Montreal and Stratford, will be changed from its present width of 5ft. 6in. to 4ft. 8½in., so as to make it conform to the standard American gauge.
The change will be made on Friday and Saturday,
The 3rd and 4th October.
All the Rolling Stock working west of Montreal will also have to be changed from broad to narrow gauge trucks, and to have this completed by the time the gauge of the line is altered, it will be necessary to commence changing the trucks on the 22nd September.
The number of cars working between Montreal and the west must consequently be daily diminished between the 22nd September and 4th October, and the ability of the Company to carry traffic during that fortnight, will be greatly reduced. Every effort will be made to reduce the inconvenience within the smallest limits, and this notice is issued that the public may be made aware of the approaching scarcity of cars during the fortnight named.
On the 6th October the line will be run on the narrow gauge all west of Montreal, and on that day large numbers of new narrow gauge cars will be brought into use. A very large number of new narrow gauge engines are also now being delivered, and by the end of October the Company will be in possession of a much larger number of engines and cars than they have ever before had, and as the condition of the Railway, by the substitution of steel for iron rails, and the addition of a large extent of siding, has been very greatly improved during the present year, the Company hope to be in a position before the end of October fully to accommodate the trade of the Country served by the Grand Trunk Railway.
The forbearance of shippers is requested whilst these large alterations and improvements in the carrying capacity of the Railway are being carried into operation, but every effort will be made to make the inconvenience which must be all small as the circumstances will admit of.

VINEGAR BITTERS
PURELY VEGETABLE FREE FROM ALCOHOL
DR. WALKER'S CALIFORNIA
EUREKA
VINEGAR BITTERS
Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.
No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.
Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.
Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In fact, as in all other constitutional Diseases, WALKER'S V
