—GENERAL DEBILITY AND EMACIATION.

In cases of prostration and emaciation, where the vital forces are reduced, and where life appears to be even at its lowest ebb, the restorative powers of Dr. De Jongh's Light Brown Cod Liver Oil are remarkably manifested. By its administration the natural appetite is revived, and the functions of digestion and assimilation are improved, reanimated, and regulated; and, when its use has been steadily preserved in, its peculiar tonic and nutritive properties have entirely restored health and strength to the most feeble and deteriorated constitutions.

The actual benefit derived is thus described by Rowland Dalton, Esq., M.R.C.S., L.S.A., District Medical Officer at Bury St. Edmunds:—

"In giving my opinion of Dr. De Jongh's Light Brown Cod Liver Oil, I have no hesitation in saying that I have not the slightest confidence in any other kind, the effects of Dr. De Jongh's Oil are sure and most remarkable, especially in that broken down state of health and strength which usually precedes pulmonary tubercular deposit; and I never recommend any other sort. The Oil I have had from you was for my own use, and it has certainly been the only means of saving my life on two occasions, and even now, when I feel 'out of condition,' I take it, and like it, unmixed with anything, as being the most agreeable way. I could wish that Dr. De Jongh's Oil would come into general use, and entirely supersede the Pale and other worthless preparations."

—SELECT MEDICAL OPINIONS.

From innumerable medical and scientific opinions of the highest character in commendation of Dr De Jongh's Light Brown Cod Liver Oil, the following are selected:—

*Sir Henry Marsh, Bart., M.D., Physician in Ordinary to the Queen in Ireland.*

"I consider Dr. De Jongh's Light Brown Cod Liver Oil to be a very pure Oil, not likely to create disgust, and a therapeutic agent of great value."

*Dr. David Smith, F.R.S., Medical Officer to the Poor Law Board of Great Britain.*

"We think it a great advantage that there is one kind of Cod Liver Oil which is universally admitted to be genuine—the Light Brown Oil supplied by Dr. De Jongh. It has long been our practice, when prescribing the Oil, to recommend this kind, since, amidst so much variety and uncertainty, we have confidence in its genuineness." (Extract from "Consumption: its Early and Remediable Stages.")

*Dr. Barlow, F.R.S., Son Physician to Guy's Hospital.*

"I have frequently recommended persons consulting me to make use of Dr. De Jongh's Cod Liver Oil. I have been well satisfied with its effects, and believe it to be a very pure Oil, well fitted for those cases in in which the use that substance is indicated."

*Dr. Lawrence, Physician to H.R.H. the Duke of Saxe-Coburg and Gotha.*

I invariably prescribe Dr. De Jongh's Cod Liver Oil in preference to any other, feeling assured that I am recommending a genuine article, and not a manufactured compound in which the efficacy of this invaluable medicine is destroyed."

*Sir Joseph Olliffe, M.D., Physician to the British Embassy, Paris.*

"I have frequently prescribed Dr. De Jongh's Light Brown Cod Liver Oil, and I have every reason to be satisfied with its beneficial and salutary effects."

*Dr. Lambester, F.R.S., Coroner for Central Middlesex.*

"I consider that the purity of this Oil is secured in its preparation by the personal attention of so good a Chemist and intelligent a Physician as Dr. De Jongh, who has also written the best Medical Treatise on the Oil with which I am acquainted. Hence, I deem the Cod Liver Oil sold under his guarantee to be preferable to any other kind as regards genuineness and medical efficacy."

*Dr. Granville, F.R.S., Author of the 'Spas of Germany.'*

"Dr. Granville has found that Dr. De Jongh's Light Brown Cod Liver Oil produces the desired effect in a shorter time than other kinds, and that it does not cause the nausea and indigestion too often consequent on the administration of the Pale Oil."

*Edwin Conton, Esq., F.R.C.S., Surgeon to Charing Cross Hospital.*

"For several years past I have been in the habit of prescribing Dr. De Jongh's Light Brown Cod Liver Oil, and find it to be much more efficacious than other varieties of the same medicine which I have also employed with a view to test their relative superiority."

Dr. De Jongh's Light Brown Cod Liver Oil sold only in Imperial Half-pints, 3s. 6d.; Pints, 6s.; Quarts, 9s.; Capsuled and Labelled with his Stamp and Signature,

WITHOUT WHICH NONE CAN POSSIBLY BE GENUINE.

THE ROYAL READERS.

A NEW SERIES OF ILLUSTRATED ENGLISH READING-BOOKS.

*From Mr. M. Patterson, Rector of the Free Church Training School; Moray House, Edinburgh.*

"Thanks for the Specimen of your new Reading Books and Sheets. They are admirable in every particular. Nothing, in my opinion, would more contribute to the improvement of Education than the wide circulation of these books, and the intelligent handling of them."

*From A. Montgomerie, L.L.D., Principal of Ladies' College, Glasgow.*

"I have examined very carefully the 'Printing,' and Nos. I., II., and III. of the *Royal Readers*, and have no hesitation in saying that, and the execution, if I may say so, even better. They are out of sight the best series of Reading-books published, and should very speedily be widely used. The Illustrations constitutes an admirable features and add much to the value of the *Readers*.

*From the Editor of the Scottish Journal of Education.*

"We have no hesitation in saying that these Readings-Books are in advance of anything hitherto published.

ALSO
