CORRESPONDENCE

To the Editor of THE TIMES. Six -The adulteration of liquors and food is now earried to such an extent is urgently required. The benefit which the people of England are deriving from in fit and ventilation of any imported, at PEA-COCK'S, sign of the RED HAT, 33 Rideau street. hat just and equitable law, the late Adu teration Act, should convince us of the

necessity of a similar law for this country. The impressive lessons which are being daily taught to liquor vendors, shop-keepere and manufacturers, are producing a most salutary effect. This valuable Act has two objects in FELT, PANAMA, LEGHORN, SILK AND STRAW HATS,

view, viz : the punishment of injurious adulteration; and, the prevention of commercial fraud. The preamble seeks to abolish practices now prevailing to the great hurt of Her Majesty's subjects, and also to prevent their being defrauded. The first and second sections of the Act provide against injurious and poisonous admixtures. The second section also of small bonds will induce the hoarding classes provides against the mere sale of goods as to invest their money therein. unadulterated, which are adulturated. The third section provides for the punish- | Church and State in Paussia.-Mgr. Ledo-Beg to state that they have entered into arrangements for the exclusive wholesale Agency or the PANCREATIC EMULSION and other celebrated or ease of weight or bulk any other sub-PANCREATIC EMULSIONand other celebrated Medicinal preparations of Mesars, Savory a Moore's Chemists to the Queen, H. B. H. the Prince of Wales, H. I. H. the Emperor Napoleon, H.M. the Chased. That such an Act is much reported in the telegrams, was, it appears, appears, apchased. That such an Act is much re- ported in the telegrams, was, it appears, apquired in Canada, there cannot be two pointed to his primacy in 1865. His election opinions. The adulteration of liquor is is said to have been irregular, but was apcarried to such an extent, that it would be proved by the Pope, for the special reason by the use of the tire Tatula, for the a most fearful attack of Asthma, Lord Dansany had acarcely
ful attack of Asthma, Lord

ANDER, Sold as tobacco, in tins, as cigare and their best assistance to put down. We are prepared for the man who attacks us on the highway, and demands bishop's continued obstinacy. Fighting Bisour money or our life as we have a fair march is no joke. Meantime the disqualifichance with him; but, we cannot be pre- cation of so many priests appointed in pared for the smooth-tongued villian who defiance of the State by the Roman Catholic sells us for brandy, whiskey or gin, a rank prelates, renders difficult the performance of poison, and bus commits murder while marriage rites as, under the now ecclesiastical

> thieves, but such men are imposent com- intended to legislate for the establishment of pared with the man who adulterates his civil marriage. The civil power in Prussia, it liquors, or articles to be sold as food. He is abundantly plain, are determined to yield ts a cheat of the worst description who not a hair's breadth .- Witness, eovets his neighbor's money and obtains it by fraudulent mean. Palmer was hanged fo a ministering poison to his victim in futing a quantities, and hundreds have shued the same

poisons his liquors and articles of food to be sold to the public. Such criminals should be punished with the utmost everity, and a few convictions in each trade under a similar law to that which the people of England have obtain-ed, would have a beneficial effect in Ca-

THACKERAY'S CHARACTERS -I was one day walking up the avenue of the Champs Elysces when I met Mr. Thackersy, the author, whom I had last seen in America. He joined me. fate for similar offences, not one of whom and we had proceeded some distance when he recognised a young gentleman on the other was more cuminal than the man who side of the street. The stranger, a tall and uncommonly handsome person, immediately rossed over to meet him, and stepped aside overheard Thackeray ask him what had rought him to Paris. He answered that he come for pleasure, "And have you found it?" drawled Thackeray, with a slight speer in his voice, as if pleasure, as a pursuit, was an unworthy object for any man's ambition. When they parted, and Thackerny again tack my arm, he said to me, "Of course you know the gentleman with whom I was just speaking?" I answered that I did not. "Yes don't mean to tell me," he continued, " that you, who have been so much in London, don't know who he is ?" I assured him that I had no recollection that I had ever before met the gentleman, "Why, that," he said, "Is the Marquis of Farintosh." " And who is the Sault Ste Marie, brings with him the de- Marquis Farintesh?' I pursued. " Why, with a supply of pork, flour, and a large French characters were more accurately and quantity of oats, loaded a batteau and delicately drawn than those of any other Engin his books the most profound knowledge of the nature of the French, as well as of their manners, and he has described the former and

landing and then proceeded to the shanty years ago all so grave and reverend seigor depot, where the provisions were to have been stored. He arrived there at across the room to a friend, the beard was gravely discussed, and the subject was tabled entered a horrible stench of putrid flesh behavior. The "board" did not raise to within him and a fearful foreboding took its room between Beaver Street and Expossession of his soul. He struck a light change Place. It was there in the stormy and at once proceeded to investigate the days of 1857, in the palmy days of the fire premises. The store house was a square issues of paper, and in the horrible slaughter block hod e scooped shanty fashion, but of 1864. It was there that Travers and without the bunks that are generally Jerune and M. Vicker rode their recking found in a regular lumber shanty. The horses over the slain of 1857; there that remains of the fire were visible in the Jacob Little made his nine fortunes, and lost Morse, who had only been known as a smar some of it is and he rest in bags, on one side of the floor. From this heap the foul smell proceeded the placed the that Dan Drew was alternately a bull and a light on one side and communes die semove the oats. The ... for grew almost ur. which the stockholders in that company did bearable, and he had only lifted two or not share; there that the great corners in three bags of the great when a human Rock Island, Prairie du Chien, and Harlem Borror stricken he cadanged to remove gamblers of Wall Street to build twenty the grain and discovered me of the most which our Western States would have been a terrible sig to that it has ver been the wilderness to-day.
