GENUINE PANCREATIC PANCREATIC EMULSION. The efficacy of these Medicines in the treatment of Indigestion, Bronchitis or Pulmonary Catarrh, Consumption, Weakness, &c., depending entirely upon their purity and strength. Messrs. F. & M. MOORE, caution the public against imitations of their Emulsion which are set forth as possessing the medicinal properties of the true preparation, but which are in reality either spurious compounds of animal or vegetable matter, or without a trace of the Pancreatic principle and are therefore unfit and useless as medicines. These imitations are calculated to produce serious disappointment and to injuriously affect the reputation which the Genuine Pancreatic and Pancreatic Emulsion have acquired. It is therefore highly important that purchasers examine the label on the bottles for the names and Trade Mark.
