MR. HUNTINGTON'S ASSAULTS.

We cut the following from the Montreal Gazette:

The article from the Hamilton Spectator, which appeared in the Gazette's files, on the failure of Jay Cook & Co., referring to the statement of a writer in the New York Tribune that the Hon. Mr. Huntington had been in private conversation with the Hon. Mr. Mackenzie, to which the public will never get access stated that it would be interesting to learn, if the Hon. Mr. Huntington had been in such a conversation, what he had to say for himself.

We are very far, indeed, from believing that our contemporary would have referred to a paragraph in the Montreal Spectator, if its true character had been observed by its author.
