The New York Tribune.

THE CONSOLIDATION OF ITALY, so long fragmentary and impotent, into one defeats, ending with the siege and capitulation of tins, and bottles of various sizes. her proud and gay metropolis; the expulsion of the Bourbons from the Spanish throne, and the ubstitution for them of a scion of the most libera Druggists. among royal houses; the virtual absorption of the kingdoms of Saxony, Wurtemburg, Bavaria, with DR. DE JONGH'S LIGHT BROWN COD LIVER OIL. The distinctive characteristics of Russia to re-assert her preponderance in the ncisely enumerated:—
al.—Its genuiness, purity, and uniform strength decaying and anarchical dominion of the Sultan, all combine to invest with profound interest the evereh nging phases of our tidings from the Old

World.—The Tribung, through trusted corress. World.- The Tribune, through trusted corres- nausea, great movements are in progress or imminent, aims to present a complete and instructive panorama of events on that continent, and to mirror the prolonged struggle between middle age Feu dalism and Ecclesiasticism on the one hand and tive effects, it is infinitely more economical than them; as immediately after the said First of November the assets of the Estate of the VL—From the unequalled rapidity of its curadiately after the said First of November the assets of the Estate of the Robert H. Wilson will be distributed among dalism and Ecclesiasticism on the one hand and and all kinds of repairing carefully and the prolonged struggle between middle age Feu Nineteenth-Century scepticism and secularism on any which is offered, even at the lowest price. proved machinery has lately been added, the other. Recognising a Divine Providence in all (the only establishment so supplied in this | reat conflict as destined (like our own recent con-

> In our own country, a war upon corruption and rascality in office has been inaugurated in our city, whereby the government of our State has been revolutionised through an initial triumph of Reform which surpasses the most sanguine anticipations. It is morally certain that the movement tions. It is morally certain that the movement "Having for some years extensively used Dr. thus inaugurated cannot, in its progress, be circumscribed to any locality or any party, but that its purifying influence is destined to be felt in every part of the Union, rebuking venality, exposing robbery, wresting power from politicians by trade, and confiding it in those worthiest and fittest to wield it. To this beneficent and vitally needed reform, the Tribune will devote its best energies, regardless of personal interests or party predilections, esteeming the choice of honest and hunting, fishing, and shooting, are freely indulg faithful men to office as of all New Departures the undergoing as much fatigue as any of his fellow most essential and auspicious.

The virtual surrender by the Democratic party of its hostility to Equal Rights regardless of Color, has divested our current politics of half their bygone intensity. However parties may henceforth rise or fall, it is clear that the fundamental princi-the equality of all citizens before the law—the inability of a State to enslave any portion of its peoforfeits it by crime-such are the broad and firm be the hand which shall seek to displace them! Though not twenty years old, the Republican party has completed the noble fabric of Emancipation, saying that I have not the slightest confidence is saying the slightest confidence is saying that I have not the slightest confidence is saying that I have not the slightest confidence is saying that I have not the slightest confidence is saying the slight and may fairly invoke thereon the sternest judgment of man and the benignant smile of God. of Peaceful Progress, PTo protect the weak an numble fom violence and oppression-to extend other the producers of Food and of Fabrics, of Grains and of Metals, and thus enhance the gains of Industry by reducing the cost of transportation and exchanges between farmers and artisanssuch is the inspiring task to which this Nation now addresses itself, and by which it would fain contribute to the progress, enlightenment, and happiness of our race. To this great and good

work, the Tribune contributes to zealous, persisucidated in its Weekly and Semi-Weekly editions to which some of the ablest and most successfu should read nothing else but what relates to his tainty, we have confidence in us gouttuouess. own calling and its rewards, we believe that no [Extract from "Consumption. is many and Re such a journal as the Tribune. And we aspire to make it equally valuable to those engaged in other departments of Productive Labor. We spend more and more money on our columns each year, as our countrymen's generous patronage enables effects, and believe it be a very pure Oil, well us to do; and we are resolved that our success of fitted for those cases in in which the use that subas our countrymen's generous patronage enables former years shall be exceeded in varied excellence and interest by those of 1872. Friends in every State! help us to make our journal better and better, by sending in your subscriptions and

increasing your Clubs for the year just before us! TERMS OF THE TRIBUNE.
