COUNTY OF RUSSELL

GENTLEMEN.—His Excellency the Governor General having, on the advise of his Ministers, seen fit to dissolve Parliament, I beg to offer my self as a candidate for your suffrages at the approaching election of a member to serve you in the House of Commons of Canada. I have taken this step at the request of a large number of my ellow-electors in the County of Russell.

I have been a resident amongst you for thirty years, and enjoy the privilege of a personal acyears, and enjoy the privilege of a perional sequaintance with many of you; and while I folly appreciate the gravity of the trust I seek, I am equally sensite of the honor you will do me, if you bestew that trust upon me.

I am in favor of a stringently pure Election
Law, to the end that we may have an incorrupt
Parliament; an Act to insure the independence
of Parliament, so that members cannot serve
themselves at the expense of the country or thair
constituents, but be faithful to their trust; even
handed justice to every constituency; and, maintaining in the strongest possible mannet, British
connection.

taining in the strongest possible mather, British connection.

The country is pledged to construct the Pacific Railway. This great enterprise about to construct the Pacific Railway. This great enterprise about to construct the Pacific Railway. This great enterprise about to construct the Pacific Railway. This great enterprise about to construct the Pacific Railway. This great enterprise about the construct the pacific Railway on the Railway. This great enterprise about the construct the pacific Railway on the Rail I shall meet as many of you as possible, personally, during the canvass, and in the mean-time, while thanking those of you who have already done me the honor of expressing their confidence in me, and of tendering me their support. I solicit the kind assistance of you, one and all, to place me at the head of the poli.

I remain, Gentleman.

I remain, Genuella servant, The end cannot be attained by incossant parameter projection. The English me and the English me and the English me and the parameter projection of exercise parameters of the English me and the the Eng osyment forthwith to the undersigned
