hall; whether from accident or design take Glover's place otherwise I feel certain, though he would have worked hims self to death, he would never have succeeded in doing so much as Glover has done. Sir Garnet must remember that the allies with which he has been enabled o drive the Ashantees across the Prah were formed into organizations six or seven months ago, that when he arrived at Cape Coast Castle he found his allies as Neuralgia, Burns, perfectly organized as Fantee natures allow; that they were armed and equipped and somewhat disciplined, and that in such a state they had repeatedly fought

Headache. Piles. Spraing ries; that Colonel Festing had tested their calibre at Elmina, and Captain Hopkins had distinguished himself and won as have been the means of giving so much credit already to Sir Garnet Wolseley; appointment but a week prior to S.r Garnet receiving his; that, in fact, Commis-

sioner Glover has done more already in wisdom was to resume specie payment at the earliest possible day. The issue of of 25,000 troops ready for the field than legal tender notes, he thought, was not Sir Garnet Wolseley has done yet, with the

the country. He thought every sign of missioner Glover's, but rather arrising from the lack of officers; for it is absurd to expect that ten British officers, however able, energetic and skilful, can furnish impellment force sufficient to drive 25,500 apathetic and lazy Africans faster than Sir Garnet Wolsely, with 200 British offi. cers, can drive 4,000 whith troops and 5,000 lazy Africans.

> THE TRLEGRAPH wire has arrived and a line is being cohstructed from the Government House, at Cape Coast Castle, to the interior stations, Transports have also arrived from Woolwich with any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and, I regret to say, any quantity of good things for the army, and the army of th tity of unnecessaries. The troops are

now, and have occured Prahsu. The advance across will be made on January 15th. TOWNSHIP OF UXBRIDGE-Lot No. 2 Con The report that the Ashantees had died in great numbers of disease has been confirmed. The dead bodies strewing the line of march from Abracamps to Prahsu are cession 5, 200 acres mostly cleared—about 35 or 50 acres of wood; house and barn; about six miles from the flourishing Village of Uxbridge, where there is a station of the Toronto and Nip-issing Railroad. of march from Abracampa to Prahsu are sufficient evidence to the mortality which overtook them. The enemy has continued his retreat far beyond the Prah, as nothing has been heard of the Ashantees for sev-

finance. The measures now proposed by Government were eminently practicable. The aspect of affairs with this expedition heavy, and the health of those at Cape

Lumbering,

Lumbermen everywhere are complai ing of the scarcity of snow. There has not been a time this winter when there has been snow enough in the woods to make it comfortable teaming over long roads, and at present with the small amount now in the woods it is simply impossible. The prospect now is that the scarcity of snow will prove as detrimental to the pockets of AT THI the lumbermen this year as the overabundance did last year. Numbers of abundance did last year. Numbers of on THURSDAY, the 12th day of FERRUARY next, at 12 o'clock noon. fully in the policy announced by Gladstone.

Compared to Governor Glover's expedition
Sir Garnet Welseley's becomes a very tame
affair. Sir Garnet at the utmost will not
affair, the warm weather enabling affair. Sir Garnet at the utmost will not men to do about one-third more than they could in cold and therefore requiring less TOWNSHIP OF BROOKE-East half of Lot men to a team. In some instances the lumbering operations of this winter have VILLAGE OF CORUNNA-Lots Nos. 4 and 5. been very successful. We have heard of Sir Garnet is blessed with a plentitude one man who has landed on the ice already,
