printed. The latter vests the power given Oxford, S., E. V. Bodwell 66, to the Board of Railway Commissioners in the Commissioner of Public Works, and requires the reports which, under that Act, were made to the three branches of the Legislature of the late Province of Canada, to be made to the Provincial Secretary of the Province of Ontario, - Mail. Prince Edward, Ross.

Our Imports from Great Britain:

One of the most hopeful signs of an improving financial condition in the country is the decline of imported luxuries. According to the report of the Bureau of Statistics there was a considerable filling off in the importation of the principal Victoria, South, McQuadof the Board. The services of a young number of yards was 109,500,345. Bo we Wellington South, Stirt lady (a regularly trained nurse) has been might go through the list of imported engaged, and during the few months she has been in the Hospital, has also given tion. Iron, however, is specially worthy of mention. In 1872 there were 467,304 tons of railroad .ron, 64,553 tons of bar, angle, bolt and rod fron, and 195,151 tons of pig iron imported, while in 1873 the amount was - railroad iron, 185,702 tons; kinds of iron, 23,006 tons. This is a Bonsventure, Dr. Robitallie. difference of over \$20,000,000 in iron alone. If we can continue to reduce our this would do more to bring down the premium on gold and carry us to a specie basis than all the proposed legislation of Congress.—N. Y. Herald.
