and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would state the fact would strengthen all that was real indulged in of late and if not discontinued and earnest, while it would strengthen all that was real indulged in of late and if not discontinued will be attended with the solution. It would are an earnest wa

Temperance Meeting

The usual Sunday Temperance Meeting was held in the Temperance Hall, yesterday afternoon at 4 o'clock, and was numeously attended. Mr. J. Johnston, Assist. Comi sioner of Customs occupied the Lewis, Gunnersburg; W Bob chair; and bes des on the platform we H D White, Poronto; G P Gal observed the Rev. A. A. Cameron, Messre, chester. N Y; E L Hoope

The Chairman opened the meeting by giving out an appropriate Hymn of praise which was joined in by the entire congregation; after which Mr. Porter read a Winchester; G 8 Izzard, Har portion of Scriptu e, and the Rev. Mr. Kane, New York; L Grant Cameron engaged in prayer. Atter concluding the introductory service

the Chairmon said before calling on the Rev. gentleman, who was about to address pression that had gone abroad in regard to Glasgow, Alex Wood, Smith ome remarks made by him snent the H Blanchard and Lady, He support of the temperance cause, by the laor-s of that place. He was made to say by the Citizen of the following day "that he approved of the movement, and trusted the ladies of Ottawa would go and do likewi-e" He knew the difficulty Reporters I boured under at times to give correct reports of meetings, and under these cirknew that prayer was a powerful neans for any purpose, and he thought its ase by the ladies towards eradicating the evils of intemperance, had been attended with great success. He would add nothing further, but call on the Rev. Mr. Cameron to address the meeting.

The rev. gentleman in coming forward, stated that he thought he must somewhat differ from his friend the President as to other community. He said he appeared to some disadvantage in addressing an Ottaws audience on the subject of temper- mings. Fined \$2 and costs these Mountains and the Ocean surpass Halifax, to adjudicate upon Nova Scotia was now nearly run out of texts. He however, thought that the temperance His Excellency has confirmed in rank fluence of woman He was pleased to see be also of lasting amity—four great divisions of the globe—Europe, America, nounced thereon.

ful sgency yet devised to crush out the demon of intemperance. He had read not be not but the commentaries of the various religious certificates from the School of gunnery :- and all were agreed that it was the most and secular journals on the movement, City of Ottawa—Bombadier J. W. Large, effective crusade against intoxicating liquors ever yet known. The speaker from 8 p. m., until 6:10 next touching address on the influence of and no person entered the street women, citing many incidents of their of 26th commenced watch at T.H. power in this respect. He stated that alchohol for years, and although they had worked hard and done much good, yet they had not eradicated the svil. Every system of organization had been the good cause, and by virtue of her power who has fallen, through the agency of the said, brought her tears, her love, her enintolthe work, and used prayer in connec-
