Members of Parliament, and others. who desire it, can obtain the Daily Ottawa Times, during the Session, for cal demands. Mr. Gladstone value in wrappers ready for mailing.

the season without delay. This being their object, there will be no adjournmen during Easter week.

The decision of the majority of the M. treal Election Court, as to its constitution ality, is now endorsed by the Judges Quebec City, sitting for the trial of tion petitions. Chief Justice Meredit and Judges Stewart and Tessier, were the Court in the latter case. They intimated they would proceed regularly in all th contested election cases before them

ELECTION OF SPEAKER. The election of the Hon. T. Anglin to the Speakership of the Commo was anticipated as an act every way appropriate and fraught with promise of advantage to the public business. The language of compliment in which the Premis moved his nomination did not exceed contrary, it was fit and well-chosen. eulogy pronounced by the seconder, Hor Mr. Dorion, was also becoming, and coulnot fail to gratify the gentleman in whose behalf it was uttered. Mr. Anglia is full deserving of the honourable position which he has been raised, on the groun of mental as well as moral qualification His talents and parliamentary experiencan not be gainsaid, while his known fai furnishes another example of time's revenges and personal reparations. Univ a few months ago a majority, comprising Some of his former upbraiders are now compelled to join in the strain of compelled to join in the strain of compelled to join in the strain of compelled to meet a home rule pliment evoked by his elevation. What pliment evoked by his elevation. What then, is the remedy for our share the strength of the flower o courteous rush from the House. It was the reform upon which he has set his
