The Elizabeth Torrence Gold Medal Faculty of Law has been awarded to D. W. R. Hodge, B. A. The prize for the best Thesis was taken by M. F. Hackett, who will deliver a vale-

dictory address to the law students. The scheme for converting the Champ de Mars into a railway etation may be con- marks. sidered as dead. The City Surveyor reports that the engineering difficulties in

the way render it impracticable. It is the intention of the police and fire committees to recommend that an increase of pay be granted to the members of the police force and fire brigade. offered to build a small-pox hospital, and guarantee to have it completed by this

time next year, if the Corporation will grant them \$30,000. The matter has been referred to the Health Committee. There is a feeling in favor of a cheap building, which could be pulled down in a few years. A fire broke out at noon yesterd y in the attic shove the room of the Board of Arts | Wreck of the 'Merrimack'-A Deand Manufactures, in St. James street.

There was very little damage by fire, and that from water was slight, but only for the efforts of the salvage corps the loss must have been heavy. The cause of the fire is unknown. A number of pigeons in the attic were smothered by smoke. The difficulty with the merchants and the Warehousing Company continues. One of the points is that although the storage is only 4c per month, if the ori-

ginal receiver keeps the flour over 10 days he has to pay 4c, while the buyer who retains it for a single day has to pay 3c, thus making 7c for 12 days storage. A minor form of the same grievance is that the original receiver has to pay lc for the keeps it longer, thus making 5c instead of 4c for the month. It is probable that a meeting of the Co:n Exchange will be speak of waiting on the G. T. B. author- in Boston, remembering Catholics and ities and requesting them to provide Protestants alike. storage otherwise than by the Ware-

SATURDAY'S DESPATCHES.

ENGLAND

Lospon, March 28, 3 p.m.—The annual race between the Oxford and Cambridge boat crews came off this morning over the usual course on the Thames, from Patney to Mortlake, a distance of four miles and two furlongs, and, as has been the case in the past four years, resulted in victory for the Cambridge boat, which came in two lengths ahead of its rival. The weather was beautiful, and a more propitious day for the contest could not have been selected. The crowd that atfrom Putney to Mortlake, there was one three blades of her propellor, and had to gold each Thursday during April. compact mass of people, 150 feet wide, put into Cerros Island. and at the latter place carriages five deep stood in long rows. The Princess of Wales, and the Duchess of Edinburgh, who were expected to be among the spectators, were absent. Upon the toss for choice of positions Cambridge won, and selected the Middlesex or northern side. The Oxford crew rowed into the stream at minutes later the Cambridge boat ap- allow no trains to pass, nor any business to tow, signalled to-day off the southern
