BY TELEGRAPH MONTREAL. Suicide—Change of Geuge. Montreal, Aug. 17. Last night a woman named Eliza Casely, the wife of Wm. Nolan, threw herself into the water from the Aqueduct bridge. She has not been seen since. Mrs. Nolan was married about two years ago, and ever since she has led a very miserable life without enjoying her domestic life. She was a very kind and affectionate wife, and on getting a little way from it, ran blindly to the water's edge. On getting to the water's edge, she threw herself into the water, and was seen by a man who was passing, who called out to her, and she answered, "I am lost—I am lost."

YESTERDAY'S DESPATCHES. ENGLAND. Accident to Victor Hugo. London, August 18.—A special despatch to the Daily Telegraph from Paris reports an alarming accident to Victor Hugo. While walking in the Bois de Boulogne, he was struck on the head with violence by a pole which projected from a passing cart. He fell insensible on the sidewalk, but afterwards recovered, and was able to walk to his hotel. Although the shock was severe to a man of his age, it is hoped that the consequences will not be serious.

THE POSSESSION OF FORMOSA. WASHINGTON, Aug. 18.—Late official dispatches from the Asiatic States dated July, report that the Japanese still maintain their occupation of a portion of the island of Formosa, notwithstanding that it had been ordered by the authorities to retire from the Chinese seat. It was thought that should Japan fail to withdraw her forces within reasonable time China would take measures to compel her to do so. It was the impression of many well informed persons that should hostilities be resumed they would scarcely extend beyond Formosa, while others were apprehensive that a general war might ensue.
