Seven delegates left te-day for the Young Men's Christian Association Convention at Port Hope. The City Council is entoroing a tax fixed in 1841, and never yet collected on the livery establishments. 3 000 chaeses were received to day from Newboro and Westport for export.

---LONDON. Reception of the Governor-General

LOND N, Aug. 18. The programme finally adopted for the reception of His Excellency the Governor General, is as follows : - Lord Dufferin will be received by a guard of honor from the 17th Battalion with the band, and escorted to the residence of Major Walker. In the evening there will be a torch light pro-

oession. Next day, Thursday, the party will proceed to the Lunatic Ayalum, and partake of lunch ; on returning His Excellency will inaugurate the new park on which the name of Victoria has been bestowed, when a public lunch will take place in the City Hall under the auspices of the Mayor and Corporation.

Bush Fires.

San Francisco, Aug. 18 .- The loss by the flood at Austin yesterday, caused by a cloud-burst, will amount to over \$100,000. The people were warned in time by a messenger on horseback, and escaped to the neighboring hills. The deluge was 10 feet deep, and it rushed down the Coron.

Spanish Affairs. Naw York, Aug. 19 .- There is an article in a New York paper to the effect that the Spanish Government, in return or securing the recognition of the Repubcede the Island of Porte Rico to Germany, occasions comment in all quarters, but there is no source here at present from which to obtain official information cor a) cerning the subject, e nfirmatory or contradictory of the startling announcement.

The report started a year or more ago that Germany was seeking to obtain poss session of the Spanish West India Island, and though the report was regarded as involving serious consequences it was soon forgotten. All that can now be said with certainty is that the Executive Department of our Government is not in attentive to this matter, and both Cushing at Madrid and Davis at Berlin have the subject on their memoranda of instructions, and will not fail at the proper time to repeat the position of the administration as heretofore privately and officially expressed by President Grant himself, and also through the Secretary of State in maintenance of the Monro doctrine.

Moulton's Reticence.

New York, Aug. 19 .- Moulton kept to his house all day, and refuses to hold any conversation with reporters. Tilton is preparing his second statement in answer to Beecher's. The Committee meet tonight to hear Winslow's draft of the re-
