This property is within twelve miles of the city of Ottawa, and is very valuable, not alone for the fertility of its soil, but for the numerous mineral springs with which it abounds. The quality of these springs are so well known to the people of Ottawa and surroundings, that it is unnecessary to say anything in their praise. Suffice it to say that they are admitted to be the best in this part of Canada. A little expenditure in laying out and ornamenting the grounds and building a large hotel, is all that is required to make them a most remunerative speculation and the Baratogs of Canada.
