Mr. N. F. Davin expressed a strong opinion in favour of the growth of the Association having the objects of the Dominion Editors' and Reporters' Association, which were to promote greater ation, which were to promote greater unity and friendship among members of the press. A branch, if formed in l'oronto, would have the effect of bringing to, would have the effect of bringing journalists together and enabling them to promote greater to, would have the effect of bringing journalists together and enabling them to

Ottawa and surroundings, that it is unnecessary to say anything in their praise. Suffice it to say that they are admitted to be the best in this part of Canada. A little expenditure in laying out and ornamenting the grounds and building a large hotel, is all that is required to make them a most remunerative speculation and the Saratoga of Canada.
