Electric Oil—Worth Acre Times in
Weight in Gold.

Pain cannot stay where it is made. It is
the cheapest medicine ever made. One
bottle will cure bronchitis. Fifty cents
will cure rheumatism. One bottle will
cure asthma. It has cured every kind of
disease. It cures all diseases.

It positively cures Croup, Asthma and Croup. Fifty cents worth has cured croup
in the back, and the same can cure lame-
ness of eight years standing. The fol-
lowing are extracts from a few of the
many letters that have been received from
different parts of the world, we think
should be sufficient to satisfy the most
skeptical. J. Colard, of St. John's, Ontario,
writes: "Send me 6 doses Dr. Thomas'
Electric Oil, will sold all I have from you
and want more now; its cures are truly
wonderful. W. Williams, of Frankfort,
writes: "I have sold all the agent left, it was
slow at first, but take, spendily now." H. Cole, of Ionia, writes: "Please forward
6 doses Dr. Thomas' Electric Oil, I am nearly
recovered; nothing equals it. I have
recommended those who have been through
the skin in Pimplies, Eruptions, or Sores;
closes it when you find it obstructed and
singeing in the veins; cures it when it is
dry; your feelings will tell you when.
Keep the pure, and the health of the patient
will follow."
