200 Acres of excellent land, within four miles of the city, township of Gloucester. A big bar-That most valuable property known as East-man's Springs, with ten acres of very fine land. This property is which twelve miles of the city

of Ottowa and is very, valuable, not alone for the ertility of its soil, but for the armerous mineral springs with which it abounds. The quality of these springs are so well known to the people of Ottawa and surroundings, that it is unnecessary to say anything in their praise. Suffice it to say that they are admitted to be the best in this part of Caudia. A little expenditure in laying out and ornamenting the grounds and building a large hotel, is an that is required to make them a most remunerative speculation and the Baratoga of Canada. The Springs consists of Saline, Sulphu, Gas, and alinerals, and are admitted to be most valuable for their curative qualities.
