The New York Tribune

THE CONSOLIDATION OF ITALY!

So long fragmentary and impotent, into one powerful State, with Rome as its capital the installation of France through a series of crushing defeats, ending with the siege and capitulation of her proud and gay metropolis; the expulsion of the Bourbons from the Spanish throne, and the substitution for them of a scion of the most liberal among royal houses; the virtual absorption of the kingdoms of Saxony, Wurtemburg, Bavaria, with Baden, Hesse, the Hesse Towns, &c., under the headship of Prussia, into the triumphant and powerful empire of Germany; and the arming of Russia to re-assert her preponderance in the councils of Europe, or to prosecute her often postponed but never relinquished designs on the great city founded by Constantine, and the vast but decaying and anarchical dominion of the Sultan, all combine to invest with profound interest the events now going on in all parts of the Old World. The Tribune, through trusted correspondents stationed at all points in Europe where great movements are in progress or imminent aims to present a complete and instructive panorama of events on that continent, and to mirror the prolonged struggle between middle age Feudalism and Ecclesiasticism on the one hand and Nineteenth-Century scepticism and secularism on the other. Recognising a Divine Providence in all that proceeds and is, it looks hopefully on the great conflicts destined (like our own recent conflict) to evolve from strife, disaster, and seeming chaos, a fairer and happier future for the toiling masses of mankind.

In our own country, a war upon corruption and rascality in office has been inaugurated in our city, whereby the government of our State has been revolutionized. Whether the reform will prove more than superficial, and whether all shall be carried, and the ills of the land Edmund Burritt thus inaugurated cannot, in its progress, be circumscribed to any party, but that its purifying influence is destined to be felt in every part of the Union, rebuking venality, exposing robbery, wresting power from politicians by trade, and confiding it in those worthiest and fittest to wield it. To this beneficent and vitally needed reform, the Tribune will devote its best energies, regardless of personal interests or party predilections, esteeming the choice of honest and faithful men to office as of all New Departures the most essential and auspicious.

TERMS OF THE TRIBUNE.

DAILY TRIBUNE, Mail Subscribers, $10 per annum.

SEMI-WEEKLY TRIBUNE, Mail Subscribers, $4 per annum. Five copies or over, $3 each; an extra copy will be sent for every club of ten sent for at one time; or, if preferred, a copy of "Recollection a Busy Life," by Mr Greeley.

DR. DE JONGH'S LIGHT BROWN COD LIVER OIL. The distinctive character is that which is acknowledged for Dr. de Jongh's Oil so much celebrity, the entire confidence of the most eminent members of the Medical Profession, and notwithstanding the active and unscrupulous opposition of many interested parties, an unprecedented amount of public patronage may be thus briefly enumerated:—

I.—Its genuineness, purity, and uniform strength are ascertained and guaranteed.

II.—It contains all the active and essential principles that therapeutic experience has found to be the most effective in the operation of the remedy.

III.—It is palatable, easily taken, and creates no nausea.

IV.—It is borne with facility by the most delicate stomach, and improves the functions of digestion and assimilation.

V.—Its medicinal properties and remedial action have been found to be immeasurably greater than those of any other kind of Cod Liver Oil.

VI.—From the unequalled rapidity of its curative effects, it is infinitely more economical than any which is offered, even at the lowest price.

CONSUMPTION AND DISEASES OF THE CHEST.

The extraordinary virtues of DR. DE JONGH'S Light Brown Cod Liver Oil in Pulmonary Consumption may now be considered as fully established. No remedy so rapidly restores the exhausted strength, improves the nutritive functions or produces a more marked and favorable influence on the local malady.

The following high testimony to the efficacy of Dr. de Jongh's Cod Liver Oil in Consumption is afforded by ALLEN G. CHATTAWAY, Esq., M.R.C.S., L.S.A., of Leominster:—

"Having for some years extensively used Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL, and in public and private practice, I have no hesitation in stating its effects are very far superior to those of any other Cod Liver Oil; during four years since, two cases of confirmed Consumption were placed under my care. In both, the lungs were a mass of tubercular matter, and, after a time, sounds to be heard in phthisis was present. The sole remedy employed was DR. DE JONGH'S LIGHT BROWN COD LIVER OIL; and now the patients are strong and fat; the diseased (abnormal) sounds nearly inaudible; and in the one case (male), following, and shortly indulged in, the patient expressing himself quite capable of undergoing as much fatigue as any of his fellow sportsmen."

GENERAL DEBILITY AND EMACIATION.

In cases of prostration and emaciation, where the vital forces are reduced, and where sole appears to be even at its lowest ebb, the tonique powers of DR. DE JONGH'S LIGHT BROWN COD LIVER OIL are remarkably manifested. By its assimilation the natural appetite is revived, and the functions of digestion and assimilation are improved, reanimated and regulated; and, when its use has been steadily preserved in, it recruits tonic and nutritive properties have completely restored health and strength to the most debilitated constitutions.

The actual benefit derived is thus described by ROWLAND DALTON, Esq., M.R.C.S., L.S.A., District Medical Officer at Bury St. Edmunds:—

"In giving my opinion of DR. DE JONGH'S LIGHT BROWN COD LIVER OIL, I have no hesitation in saying that there is no medicine in my opinion, incomparably the best English Reading-books that have ever been published. The adaptation of the means to the end in view is perfect."

From T. Morrison, M.A., Rector of the Free Church Normal School, Glasgow.

"I have very carefully examined the *Royal Readers*. The plan is excellent, and the execution, if I may say so, even better. They are out of sight the best series of Reading-books published; and should very speedily be widely used. The illustrations constitutes an admirable features and add much to the value of the *Readers*

Notice to Contractors.

BAIE VERTE CANAL.

INTENDING Contractors are hereby informed that about January next, Tenders will be received for the works connected with the construction of what is called the BAIE VERTE CANAL, to connect the Bay of Fundy with the Gulf of St. Lawrence.

Commencing near the outlet of the River Aulac, the line follows in a South Easterly direction to a point between Tongue's Island and Fort Cumberland; thence in a nearly direct course along the valley of the Missiquash to a place between Hacmatack Lake, and Minor's Point; thence curving round still further to the South East to the Valley of the Tidnish River, near Chapell's Farm, where it takes a North Easterly direction to near the mouth of the river, and at or across Tidnish Head in an Easterly course to deep water in Baie Verte.

The works will be divided into sections suited to circumstances and the locality.

The outline of the route above indicated will enable Contractors to examine the dry portions of the line before winter sets in, and those parts through bogs after the ground is sufficiently frozen.

To facilitate this examination, a Lithographic map of the locality will be furnished on application by letter, or otherwise to this office.

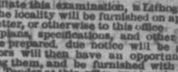
Where plans, specifications, and other documents are to be seen, notice will be given; Contractors will then have an opportunity of examining them, and be furnished with Blank Forms of Tender at this office, or at such places as may be designated.

By Order,

F. BRAUN,

Secretary.

Department of Public Works, Ottawa, 3rd Nov., 1874.



Notice to Contractors.

LACHINE CANAL ENLARGEMENT.

CONTRACTORS are hereby informed that about January next, Tenders will be received for the execution and completion of the works connected with the enlargement of the present line of the LACHINE CANAL, or for the enlargement of the lower part of it, and the formation of a new line through the low ground on the North West side of the existing channel up to what is called the "Rock Cut," thence following the line north of the Village of Lachine, to near Leishman's Point.

The line to be adopted depends in some measure on the arrangements which can be made for the right of way; but the information supplied will enable Contractors to fully examine both routes before winter sets in.

The works are to be let in sections of a length suited to circumstances and the locality.

When plans, specifications, and other documents are prepared, due notice will be given, Contractors will then have an opportunity of examining them, and be provided with Blank Forms of Tender at this Office, or at such other places as may be designated.

By Order,

F. BRAUN,

Secretary.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon those various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find its channels obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
