ough the body is not always pure or free! the waste matter through the skin or with the waste matter through the intestines, but cold or wet may stop their outward escape, and the internal drainage may become inactive, when the corrupt particles are apt to compliste, causing pestules, scalp eruptions or running acress, brunchitis dr. They may socate about a nerve, causing neuralgia, and by attaching themselves to the arterial inbest and veins, large or small, and inflaming them by their corruptive influence, cause those intensely painful sensations called Rheumalism. Nature struggles to drench out or dislodge if possible these corrosive particles, and the parts become very red from the congestion or pressure of blood therein. matic Gout. If nature does not succeed t tion as best she can; however, the passage of the blood tarough the affected channels will continues painful. This is Chronic Eb amatism, which may exist without its usual autocedant the Acute kind. the above only true theory points out the con rect treatment of this and other distress maladies. Dissolve these corrupt particles that have lodged in the afflicted parts, so that in the circulation they may be carried off externally or internally, and having thus removed the cause The experiment of twenty years in the Lon-don Hospital, England, has demonstrated to the Medical Faculty of Europe, that the only Medicane having control over this class of dis-

DIAMOND RHEUMATIO OPTIC SATA CURE

It is the result of a lifetime of scientific stady and is now or the first time offered to the Cana dian public, prepared by a careful, experienced and conscientious physician, in obedience to the desire of numberless friends in the profession, in the trade and among the people. Every bottle is warranted to contain the full strength of the medicine in its highest state of purity and development, and is superior to any medicine ever compounded for this terrible complaint. A BLESSING TO THE POLICE

MONTREAL, 18th June, 1864. DEVINS & BOLTON : GENTLEMEN,—Having been one of the many partyrs of rheomatism that I meet on my every ay counds. I was induced to try the celebrated AMOND RHEUMATIC CURE. I had sui-DIAMOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terrible acute pains across my loins and back, so severe indeed that I could hardly walk with the belp of a stick. I commenced the Diamond Remedy-following the directions carefully. Restef came immediately with the first bottle, improved rapidly with the second, completely cured and freed from pain after furthing my fifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I feel very thankful for the relef, and sympathize with my fellow sufferers from theumatism.

Bankery Police Officer,
In simple cases, sometimes one or two dones suffice. In the most chronic cases it is sure to give way by the me of two or three bottles. By this efficient and simple remedy hundreds of dilars are saved to those who can least afford to throw it hway, as surely it is by the purchase of the purchase of the case of t
