be hard to find a reason for their meeting

will polf when he has polled it.

ling against great odds on behalf of the since neither his honesty nor cause no member of the party can refuse uprightness were necessarily

a man must be prepared to subnate his own interests to theirs. Here, teerl, we have the very best means of testing a man's loyalty to his party-a test which we trust Mr. O'Hanly will pass through without losing aught of that con. fidence and esteem which he otherwise so well deserves.

We are not prepared to take our cor respondent's melancholy view of the situ ation, nor do we believe that he was earnest in casting doubts upon the politi cal proclivities of the choice of the Convention. We expect that on the polling day Dr. Ferguson will be triumphant, although if it be otherwise, Mr O'Hanly, should be persist in dividing the party, will have the poor consolation of knowing that he contributed his quota towards defeating the candidate of a Go ernment whose principles he professes to admire, and whose policy he desires to see

MR. CARVELL'S "REMARKS

We return to the subject of Mr. Carbrought by Mr. Brydges, in his report to expression would have it. He says :the Minister of Public Works, against the management of the Intercolonial Railway. His arguments in each case are of the same painful nature : political consideramit irregularities which were simply scandalons. It would be somewhat unfair, It has been definitely concluded that manager of a public work of any kind, refused to pay more than \$2.75 per ton at the grossest negligence and mismanagement, the least disguised defiance must here state that in July, I was notified of authority, and the most easily detected by the Vale Coal Company that the price

We publish in another column a letter misapplication of the funds of the railway of their coal was reduced to \$2.25, or ten from Mr. J. L. P. O'Hanly, on the subject | without protesting, simply because those of the Russell election for the Local Le- offending had been active political wire- time since, the railway could have congislature, not because we approve of its pullers, and were possessed of some in tracted for 10,000 to 20,000 tons at from sentiment in the slightest degree, but be- fluence at Ottawa. It is almost incon- \$2 to \$2.10 per ton; so that comparing cause we have every desire that Mr. ceivable that any member of Parliament the coal might since have been arranged O'Hanly should speedily be dispossessed | would be mean and dishonest enough to | for, the contract occasions a loss of about of the idea that he is being in any way attempt to screen a nominee from the \$5,000 instead of a gain of \$25,000. unfairly treated. Mr. O'Hanly believes just consequences of such glaring offences that we were "grossly misinformed" as to as Mr. Carvell admits he was under the the unanimity of the Convention in no necessity of overlooking, and still less minating Dr. Ferguson. Our informant conceivable that the men who were enwas in every way to be depended upon, Trusted with the high and honorable duty and since he was present at the Conven- of a lministering the affairs of the Domintion and Mr. O'Hanly was not, the proba- ion on behalf of Parliament should so far bility is that it is Mr. O'Hanly who has prostitute their position and influence as been misinformed. Mr. O'Hanly's analysis not only to permit their directly responsible officer to wink at such audacious criminality, but to demand it of him as a positive is immaterial); but it would have been duty. Yet so it was-not merely in isothe first instance of perfect unanimity we lated instances, but all over the line. Mr. have ever heard of had it been otherwise. Carvell admits that Mr. Brydges is quite Were it not that there are usually conflict. right about the ticket clerk at Richmond, whose cash and credit accounts were a would be no occasion for such conventions, long way from balancing; and he went so and it is the merest farce in the world to far as to "admonish" this promising go to a convention if one is not prepared official, who in turn gave his assurances be somewhat interesting to there to resign himself into the hands of that the irregularity should never occur the majority. If it were true, as Mr. again. He allowed the matter to pass O'Hanly says, that each party at the thus, he says, because he "felt the same "political constraint in this case as in the

to draw a deduction from his own Brydges, for the first time in the course of ous. He attempts to account for the exanalysis of the vote of the delegates which his " remarks," on the subject of the pur- traordinary stock of iron castings and to say the least of it is a little far fetched | chase of rails in 1872, which Mr. Brydges | springs on hand by showing how large the and in so far as it is prophetic, we have alleges were bought too dear, and much demand was for that class of goods upon no faith in it. It will be time enough to above the rates being paid for the same the road, and what variety the nature of talk of the proportion which Dr. Ferguson material by the Grand Trunk Railway the rolling stock required for purposes Mr. O'Hanly makes what would, under economy-at the same time. He pleads say that the desire of the partners in the other circumstances, have been a very the limited nature of his order, a busy firm of Messrs. Fraser, Reynolds & Co., pointed and grave charge against the dele . season, and going late upon the market silent and setive, whoever they may be, gates to the Convention. He says they for an article which was required immed to make a little money-honestly if they went there resolved on disintegration, not distely, as excuses for the difference of could, no doubt, but dishonestly if necesupon building up a Reform party in the one pound sterling per ton in the rates sary-was the best and only explanation sounty. Now, we do think that Mr. paid respectively by the Grand Trunk and of this magnificent stock, of the ordering O'Hanly is just doing that very same thing [ Intercolonial ; and he produces letters of which, by the way, the Chief Superior which her charges against the delegates, from the manufacturers of his order, and tendent of the railway knew nothing whatand to put it in the very mildest terms others in the trade in England, asserting ever until he was called upon to sign a possible, it is a case of the pot exchanging that the prices paid were those current cheque for its payment. He remonstracompliments with the pan. He says two- at the time. So far as the bona fides of ted at first, but finally agreed to pay the thirds of the Reformers of the riding are the transaction are concerned, which is all enterprising if not very scrupulous gen-Catholics, and yet he complains that in that these certificates prove, there was themen what they alleged to be the cost religion and nationality nothing in Mr. Brydges' report calling for price with five per cent. commission added. was very one-sided. This a certification of them. It was simply as How this "cost" price was "fixed," the Chromos the Convention, but against the rate exceeding by one party of Russell. If the ton or over that paid by the Grand best show. Doubtless if Mr. Carvell had Catholics form two-thirds of the Reform Trunk Railway Company, at the same pe- now an opportunity of re-writing his own party in the county, there is one reason ried, for exactly similar material; and if vindication, he would pass over this ugl why they should not have sent two-thirds | Mr. Carvell chose the close of the season | business with as little remark as possible : of the delegates to the Convention, and if when the manufacturers had all they certainly he would never attempt to de

Mr. O'Hanly had their confidence, he could well perform on hand already, to fend it. More anon. would of course have been the nominee negotiate for supplies which could not We challenge the correctness of Mr. wait until the market was more O'Hanly's analysis of nationality, and hold favourable, but must be had moreover that to raise the question at all at any price, he pleads guilty to Mr. in a country which knows no nationality Brydges' whole indictment-confesses, in but the Canadams, is not extremely magna- fact, that he, the manager of a great rail. To THE EDITOR OF THE TIMES nimous. We have said that the charge if way on behalf of the Government of a by Siz, -In this day's issue you state the true was serious, not because of the no means insignificant country, instead Dr. Ferguson was the unanimous choice of alleged complexion of the Convention, of proceeding prudently, warily, and with the Convention at Duncanville. I am but because it would prove a very large a full knowledge of the requirements of sure you would not wilfully state what was proportion of the Reformers of Russell to his position, acted the part of a novice, must have been grossly misinformed. The be cold and indifferent in regard to the for which the country had to pay the Convention, including Dr. Ferguson and success of their principles. Mr. O'Hanly piper. We can hardly think that Mr. Mr. Tytler, candidates, numbered sixteen. professes not to understand why papers, Carvell has yet realized how entirely he These, with the other proposed candidates, professes not to understand why papers, Carvell has yet realized now entirely no retired; and the final vote as annound professing to be Reform do not support has in his reply demonstrated his own in- by the Convention was Ferguson, him, and he thinks that he must surely competency in respect of this same pur Morgan, 5, and Tytler, 1. Instead of agree labour under some disability, at the same chase, for he offers this extraordinary ing on a choice, they separated strong times uggesting that that disability is his proof of his unfitness for his position with partizans of their respective nominees. ligion. With all respect for our correst an earnest simplicity which is truly as delegates from New Edinburgh, the three pondent, we think the suggestion as tonishing, and appears to triumph in it as from Russell, one from Cambridge and well as the thought which inspired it rather a complete answer and refutation of Mr. one from Clarence ; Mr. Morgan by the an unworthy one. We trust it has been Brydges' allegations. He has yet to learn, from Clarence. From this you will pergiven expression to without sufficient con- we fear, what even very simple people in ceive that though the whole vote of these

behalf of the Catholics to throw out any and supplies at a premium, before you go | best means of consolidating and building such insinuation. Upon what ground he to the provision market. As a proof of up a Reform party in Russell, they were claims to represent that class he does not Mr. Carvell's personal honesty and upsay, and we have not heard that they rightness, his argument may be conclupreviously canvassing for their respective have given him any good reason for be- sive; but it is equally conclusive in proof favourites. It cannot be denied that this of his simplicity and want of the business As a life-long Reformer-as a Liberal tact and foresight which are pre requisite to when Liberalism was less popular than it | the effective discharge of the duties atis now, and when he was practically fight, taching to his position. And then,

herish for our correspondent the ed, it was quite needless est respect and esteem. But to be a vindicate them, especially since that and loyal member of any political vindication is a practical concession of all that Mr. Brydges charged, and even more for it proved that not only were the purchases made at exceedingly high rates, but Mr. Carvell by his want of tact and business capacity had placed himself at could charge pretty unich what they chose. He also attempts to show that Mr Brydges' comparison between the prices paid by the Grand Trunk and the Intercolonial respectively was unfair, inasmuch | stitutions of this country. There must be as the order of the latter was small and the other comparatively extensive. Sure ly, however, the agent of the Government. with the unbounded credit of the Dominor of Canada at his back, could command as good terms on the British market, even with a limited order, as a private corpora tion whose financial condition had not always been the most secure, and which after all was only a private corporation. Mr. Carvell seems to make one good

point against Mr. Brydges, and only one. Of course we may have an explanation from Mr. Brydges which will give another colour to the matter, but in the meantime Mr. Carvell seems to have the best of We can scarcely grudge it him, "under \$12; 5 do. worth \$15 for \$89 5 do. worth vell's "remarks" in reply to the charges the circumstances," as his own favourite worth \$7 for \$4; 5 do. worth \$5 for \$3; 5 "With regard the statement made

Mr. Brydges that 'the price charged h the Spring Hill Colliery is \$3.75 a ton, and by the Pictou Coal Company \$3.25, and that he has no doubt whatever that artions have constrained Mr. Carvell to per- rangements can be made to get this coal supplied at least \$1 cheaper a ton than the lowest price mentioned.' I desire to dalons. It would be somewhat unfair, say, that the railway only paid the Spring however, to put this down entirely to the Hill Company \$3 per ton for coal sup-plied in May, and \$2.75 per ton in June stoyes, and a thousand of other goods in . count, for it is clear enough that the late and prior to Mr. Brydges' visit, I notified Government demanded as a condition of pay more than £2.50 in July, and that the the Managing Director that we would not his retaining the position that he should railway would expect to have the advanarefully abstain from exposing the distage of any further reduction in the marhonesty and peculation of their political ket, as coal was everywhere receding in creatures, and send his conscience to Pictou Company, the price we had been price. With regard to coal from the Jericho. On the other hand, it will be paying at the junction of the coal lines somewhat difficult with most people to with the main line was \$3,25, the rate at econcile the retention of any position of one time was as high as \$3,50. To which figure it had gradually advanced, as responsibility on such servile and de coal was in demand from \$2 in previous grading conditions with that honesty of | years, but as the price receded about the purpose and elevated personal character 1st May to \$3, f.o.b., vessels at Pictou which are indispensable in the successful Landing, and the mining company having

claims will be " the reduction in the coss of fuel under the new contract.' But cents per ton less than the contract, and have no doubt whatever that at any the contract price with the rate at which

With regard to the extremely unsatisactory condition of the Stores Department at Halifax, upon which Mr. Brydges' report speaks in such decided terms of comdemnation, Mr. Carvell says :- I at once admit that the affairs of that depart ment were not in the satisfactory condition which I could have desired, and that in some cases, the stock of ma terial was in excess of the requirements." He adds, however, that he did his best to remedy these matters, and lays the blame upon his subordinates. Probably they may have a few "remarks" to doubt that Mr. Carvell's charges H. s. Perkins and W. Walleuttey. of incompetency on their part are only too well founded, it would how far they are willing to permit them to go without challenge or retaliation. On one subject in connection with the stores Mr. Carvell volunteers an explanation which at this time, and in the light Mr. Carvell takes issue with Mr. of recent events, does appear disingenu-Company-not always conspicuous for its repairs. It is quite unnecessaay now to
