PPLETON'S

AMERICAN CYCLOPZEDIA NEW REVISED EDITION.

Fintirely rewritten by the ablest writers on every subject. Printed from new type, and limstrated with Several Thousand Engray

PEPSINE—The popular and professional meditionstrated with Several Thousand Engray ing s and Maps.

The work originally published under the title of THE NEW AMERICAN CYCLOPÆDIA WAS COM- CHLO pleted in 1868, since which time the wide circu lation which it has attained in all parts of the United States, and the signal developments which have taken place in every branch of science, literature, and art, have induced the editors and publishers to submit it to an exact and thorough revision, and to issue a new edition entitled THE AMERICAN CYCLOPADIA. Within the last ten years the progress of dis-covery in every department of knowledge liss made a new work of reference an imperative aris and the convenience of refinement of soci life. Great wars and consequent revolute have occurred, involving national changes peculiar moment. The civil war of our o ocuntry, which was at its height when the i

withine of the old work appeared, has happy and ludustrias activity has been com factio. d. sade, with the natural result of the inpec of time, have brought mto public view a multitude of been fought and important sieges maintained, of which the details are as yet preserved only in the newspapers or m the translent publication of the day, but which ought now to take the place in permanent and authentic historia.

with the same plan and compass as its predebegsor, but with a far greater pecuniary expen-diture, and with such improvements in its comerience and enlarged knowledge. dded not for the sake of pictorial effect, but give greater incidity and force to the explana-tions in the text. They embrace all branches of science and of astural history, and depict the most famous and remarkable features of scen-
