Natis of all sizes, at C. P. Dorion's, 81 and 83 Sparks street, Ottawa. 3691d&m.

A very entertaining article is the review always forgotten to be mentioned that of the first volume of Mr. Martin's "Life holidays are ended, and the serious work Mr. Harrington was not of the Opposition, and that Mr. Stewart, the nominee of the Reform Convention, also retired in Mr.

of the Prince Consort," a book which "cannot fail to increase the admiration and reverence of the nation for the great and dutiful soul who lived a life obscured place in Louisville, Ky., February 27th Bonfield's favour. Mr. Bonfield is and has by its very greatness, in the midst of us, This drawing will as certainly take place always been not only in sympathy with the Reform party, but one of its most views on the subject of religious belief in active members, and he formally the paper entitled, "The Great Problem:

upon the canvass, such a pledge was that cannot fair to interest any thoughtentirely unnecessary. These are but specimens of the arithmetic by which the Conservatives cheat themselves into the belief that the reins of power are dangling within a few feet of them. They must wait for some time yet, but'if they behave well, and eschew the discreditable con-Parliament, no doubt their turn will come

THE CONSERVATIVE LEADER

The question which Ontario politicians are asking themselves at this juncture of affairs is-Who will lead the Opposition in the Provincial Legislature at its next session? This position, which, in view of the much talked of "Conservative reac- leave to appeal to Her Majesty in Council tion," should be one of importance and honour, is now verily going a beggig. Mr. M. C. Cameron, who led the forlorn that it is no part of the duty of the Govhope during last Parliament, announced ernor of a colony to forward such petiat Barrie the other day, that he was no before the Lords of the Judicial Commitlonger the Conservative leader. Never tee of the Privy Council by a professional theless, he put forward claims to talents agent of the petitioner, in the usual manwhich are generally supposed to be re- ner. quisite in a party leader, and to be possessed by few members. He claimed tee to return any answer to such petitions to be actuated in his legislative endea- until an appearance has been entered on anyyours by a desire to promote solely the behalf of the petitioner. ublic interest, rather than the interest of his party. This declaration must have to transmit a petition of this nature to astonished some of his friends gathered | the Secretary of State, vou will decline to round the festive board to do honour to do so; and you will inform the Petitioner

the newly elected members for the three the matter. Ridings of Simcoe. During last session, some of the Conservative journals Subscription Rates for the Daily Times. When paid weekly, Twelve and a-half Cents, and many of the Opposition mem bers were in open rebellion against The Officer Administering their leader. They objected to the the Government of Cana austere manner, to the slip-shod speeches to the blundering manouvring of their temporary chief. Mr. Cameron, they said, down at \$2,736,286.05; specie held at was too fond of acting of his own mere \$2,881,680.72; leaving an excess of specie York Street, near Sussex Street, motion without having previously consulted with his supporters, and determined upon a well planned course of action. This Quixotic tilting at windmills brought disaster on the party, and strengthened Thomas York, postmaster. " River the position of the Government. More | Joseph," in the Township of Aumond, in over, Mr. Cameron did not show himself | the County of Ottawa; Mr. Cyrile Monette, a disinterested member, one who laboured postmaster. Aubigny post office, in the only for the public weal. Night after "Ripon." night his seat was unoccupied, and that too during the most critical part of the on the notice paper. The explanation is

session, when he had important motions found in the fact that this patriot was busily employed in working up his briefs for the morrow's trials, while those supporters of the Government who belonged to the legal profession were in their places attending faithfully to their duties. True it is that occasionally Mr. Cameron, when in the neighbourhood of the Parliament Buildings, would drop in at the Legisla. ull, and has never failed to arrest its detive Chamber, and on being informed of cay, and to promote a healthy and vigorthe subject under discussion would rise ous growth. It is at the same and submit a few technical objections for the consideration of the House. But the Conservatives expected something more than bad Chancery pleading from their

RTERIAL blood contains the elements of A Vitality and Nutrition, which is emptied to the capillary system and, after supplying ninute branches of the venous system and reason of much that is wrong in living and brough the body is not always pure or free from At a meeting of the Trustees of the Public the waste matter through the skin or with the Library of Kentucky, Jan. 16, 1875, it was waste matter through the intestines, but cold or resolved that U. M. Briggs, Esq., who under the late Hon. Thos, E. Bramlette was the real ternal drainage may become inactive, when business manager of the gift concerts already given in aid of the Public Library of Kentucky, be and he is hereby authorized to take the sores, bronchitis &c. They may tocate about a ette, in the management of the affairs of the themselves to the arterial tubes and veins, large or small, and inflaming them by their corrosive Fifth and I ast Gift Concert, and that the ling announced for February 27th, 1s75, shall positively and unequivocally take place on that day, without any further postponement or described and account whatever. nmane Gout. If nature does not succeed in parts, ceases to cor tend, and performs circulason as best she can; bowever, the passage the blood through the affected channels still continues painful. This is Chronic Rheumaism, which may exist without its usual ante-The above only true theory points out the corhave lodged in the afflicted parts, so that in the circulation they may be carried off externally or The experiment of twenty years in the London Hospital, England, has demonstrated to the Med'cal Faculty of Europe, that the only Medicine having control over this class of dis-

DIAMOND RHEUMATIO CURE

It is the result of a lifetime of scientific study

and is now for the first time offered to the Cana

dian public, prepared by a careful, experience and conscientious physician, in obsdience to the in the trade and among the people. Every bottle is warranted to contain the full strengt of the medicine in its highest state of purity and development, and is superior to any medicine ever compounded for this terrible complaint. A BLESSING TO THE POLICE, MONTHEAL, 18th June, 1864. GENTLEMEN,—Having been one of the many martyrs of rheumatism that I meet on my every day rounds, I was induced to try the celebrated DIAMOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terribl acute pains across my kins and back, so severe indeed that I could hardly walk with the help of a stick. I commenced the Diamond Remedy-following the directions carefully. Relief came imediately with the first bottle, improved rapidly with the second, completely cured and freed from pain after spishing my fifth the second completely cured and New Edinburgh and Rochesterville, I cent. In freed from pain after finishing my lifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I leel very thankful for the relief, and sympathize with my fellow sufferers from rheaventsm.
