Burnett's Extracts

The superiority of these Extracts consists in their perfect purity and great strength. They are warranted free from the poisonous oils and acids which enter into the composition of many of the factitious fruit flavors now in the market. They are not only true to their names, but are prepared from fruits of the best quality, and are so highly concentrated that a comparatively small quantity only need be used.

Lengthy Debate in the Senate on Louisiana Affairs.

WASHINGTON, Feb. 18.—The Senate is still in session. Merriman, of North Carolina, has just concluded a six hours' speech.

At 2 a.m., in the Senate, Hager yielded the floor for the motion to adjourn, which was rejected; yeas, 4; nays, 32. West, of Pennsylvania, announced that there was no quorum voting. Davis said as no quorum was present, he moved that the Senate do adjourn. The Chair ruled that the motion was out of order, explaining that after a motion to adjourn business must intervene before another motion to adjourn could be entertained. This rule excited surprise. Speaking was, however, resumed, and at 9:30 this morning Edmunds offered an amendment to strike out the resolution for the admission of Pinchback and insert the following:—"That the Committee on Privileges and Elections be and is hereby instructed to report forthwith the bill declaring that no constitutional Government exists in Louisiana, and providing for an election of Governor, Lt. Governor and members of the General Assembly for the State of Louisiana, and all other State Officers who are to be elected by the vote of the people thereof."

Ransom then took the floor and spoke till 12 o'clock noon, when he said it was impossible for him to go on in his present physical condition. He would not ask the Senate to adjourn, but he would ask the privilege of being allowed to speak further at some future time.

Boutwell, of Massachusetts, then took the floor.

MANITOBA

An Editor in Trouble—Dr. Schultz—Lepine.

ST. PAUL, Minn., Feb. 18.

A special despatch of last evening, from Fort Garry, states that Mr. Luxton, editor of the *Free Press*, was before Chief Justice Wood to-day at the Court of Queen's Bench, for contempt of court, for publishing strictures on Judge Wood's action in the Schultz perjury case. Luxton refused to retract or to apologize, amid cheers and applause from a large assemblage in the Court Room. Luxton was fined $2,000 and was ordered to be imprisoned until it was paid. The fine was made up by subscription immediately, and an article in this evening's *Free Press* may create another case to-morrow.

Dr. Schultz left for Ottawa this morning, amid groans and hisses.

The indignation against Chief Justice Wood is increasing rapidly.

Lepine is sawing wood in the jail yard.

The Maintenance of the Gaol—Brutal Assault—Taxation—New Diocese.

HAMILTON, February 17.

The representatives of the city and county are to meet in the Attorney General's office at Toronto on Friday to discuss the difficulty about the maintenance of the gaol.

Yesterday about noon as a well dressed and ladylike woman was walking up Stuart street, a man stepped before her. She endeavored to pass when he raised his hand and struck her a blow on the head that rendered her insensible. The cowardly brute then made off. The cause of the attack is unknown.

Judge Smart has decided to tax the costs in the late appeals against the voters' list upon the Township Councils, upon the grounds that inasmuch as they had the appointing of the Assessors they must be held responsible for their mistakes.

The House of Bishops has settled everything in reference to the new Diocese in accordance with the memorial from the Synod of Toronto; and the clergy and lay delegates of the new diocese are summoned to meet at Christ Church here on the 17th March.

NEW BRUNSWICK.

Opening of the Legislature

FREDERICTON, N. B., Feb. 18.

The New Brunswick Legislature was opened to-day by the Lieutenant Governor. In the Speech from the Throne, after referring to the abundant harvest and the satisfactory state of trade and commerce of the past season, His Honour alludes to the decision of the Privy Council affirming the constitutionality of the Common School Act, and to the immigration conference at Ottawa, the results of which will be laid before Parliament. The operation of the Free Grants Act has so far fully justified the liberal provisions thereby made for actual settlers. A measure will be submitted for the encouragement of the agricultural interests of the Province, and the proper arrangement of the annual grants for the promotion of this important industry. A bill will be submitted for the consolidation and amendment of the Federal Acts relating to the assessment and levying of taxes for local purposes; also a bill for the amendment of the act passed last session, providing for a process of attachment in civil cases, and for the establishment of a trustee process in connection therewith.

Quebec Legislature.

In the Quebec Legislature last night, Dansereau appeared at the Bar of the House, but declined to answer questions put to him by the Speaker.

A debate followed as to the advisability of committing the prisoner to the gaol of the city, Mr. Joly moving an amendment to that effect to Mr. Church's motion that Dansereau be consigned merely to the custody of the Sergeant-at-Arms. It was finally resolved that he be censured by the Speaker, which was accordingly done. The debate was resumed, and was postponed till to-morrow by a motion for adjournment, which was carried.
