SAY YOU PLEASE—If your wish is to save your hair & I keep it in a strong and healthy condition, use Burnett's Cocaine. It will stimulate the roots of the hair, and restore the natural action upon which growth depends. Twenty years ago a single bottle of Burnett's Cocaine would operate in case, in which all other treatment had failed; and since that early success thousands of cases of Baldness, Dandruff, Loss of Hair and Irritation of the Scalp have yielded to the same remedy.

BURNETT'S FLAVOURING EXTRACTS.—The superiority of these extracts consist in their purity and great strength. They are manufactured free from the pungent oils and acids which enter into the composition of many of the fictitious fruit flavours now in the market. They are not only true to their names, but are prepared from fruits of the best quality, and are so highly concentrated that a comparative small quantity need only be used.
