Say Disease, of whatever nature, are
completely eradicated by the use of
Fowle's Pile and Humour Cure; its effect
is marvellous for Scrofula, Salt Rheum,
Ring-Worm, and even Leprony; it has
proved itself an almost never failing cure
(See special notice.)

THE HUMAN HAIR.—How many persons
abuse this delicate and beautiful organ-
ism, by burning it with alcohol, washes
and plastering it with grease, which has
no affinity for the skin, and is not ab-
sorbed. Burnett's Cocaine, a compound
of cocaine and oil, is unrivaled as a
tonic for the hair, and is peculiarly adapted to its various
conditions, preventing its falling off and
promoting its healthy growth. 3784

All that art can accomplish in beautify-
ing, strengthening, and preserving the
human hair is effected by Burnett's
Cocaine. This is probably the best
imparts a glossiness that is healthy
and natural. It is a cooling vegetable oil,
spreadable and clean and dresses the hair
perfectly. 3785

FALSH MODESTY.—For people to allow
themselves to become seated upon them rather
than upon a chair, is a vulgar and un-
becoming habit, as may do for the different kinds
of piles, without going at once to the drug-
gist for Fowle's Pile and Humour Cure,
which is an infallible cure. 3786

Thomas' Excelsior Electric Oil—Worth
Ten times its weight in Gold.

Pain cannot stand it—It is the
cheapest medicine ever made. One
ottle has cured bronchitis. Fifty cents
worth has cured an old standing cough
positively cures Catarrh, Asthma and Croup.
Fifty cents worth has cured crick
in the back, and the same quantity a lanc
knock of eight years standing. The follow-
ing comes from a few of the many
letters that have been sent to me from
so many parts of Canada, which we think,
should be sufficient to satisfy the most
cynical. J. Collard, of Sparks, Ontario,
writes: "Send me six dozen Dr. Thomas'
Electric Oil. He's sold all I had from you
as well as more now. His cures are truly
wonderful." Mr. Maguire, of the agent left,
writes: "I have sold all the agent left;
it acts like a charm." We sold it
takes splendidly now." H. Cole, of
Ottawa, writes: "Please forward six dozen
of Thomas' Electric Oil, I am nearly run
out; nothing equals it. It is highly re-
spected by those who have used it."
J. Bedford, of Fredericton, writes: "Send
