90

City Lots,

(Size, 50x132 Feet,)

—IN THE—

CITY OF WINNIPEG,

MANITOBA,

—ON—

SaturdaY

The 20th Inst.;

AT 10 O'CLOCK, A. M., and 7.30, P. M., at MY ROOMS.

ELGIN STREET,

OPPOSITE RUSSELL HOUSE.

Terms and Conditions made known at Time of Sale.

There lots are part of the late Mulligan property, are high and dry at all seasons of the year, and are slightly situated on and near the main highway leading westward.

For those not having the thousands necessary for investment here or those wishing to lay by something for a rainy day, this is a good opportunity to invest in a city which is the natural gateway to the whole fertile belt.

The growth of Winnipeg during the last four years has been marvellous, though under the most unfavorable conditions as to trade, communications, &c., and those who have been attained by many citizens from small investmen's. Now, with a large expenditure for the Thunder Bay and Pembina Branch R. R. points on and the attention of the continent drawn to it by arrival of large bodies of Scotch and Mennonite emigrants this spring, its growth will rival that of Chicago or Melbourne.

Parties intending to remove to Manitoba, next season who purchase at this Sale can have their title registered in time for the Spring Voters' List, so as to be able to vote the first year.

Plans of the city and the property, together with Pamphlets, &c., as well as other information may be had at my rooms.

Reference may be had respecting situation of property to Members for the Province, and other Manitoban citizens now here.

Views of the City may be seen in the windows of Langford and Smith & Stewart, booksellers, Upper Town and Centre Town.

We publish elsewhere a communication of the very highest importance from Mr. Thos. C. Keefer, on the subject of the Canada Pacific subsidy, to which we direct the attention of those who take an interest in this matter.

Owing to the recent death of Mr. D'Arcy Boulton, who was last September elected Grand Master of the Grand Black Chapter of British America (including Canada and the United States), in connection with the Grand Black Lodge of Ireland, the first or senior Deputy Grand Master takes his place, namely, Mr. Edward T. Scott, of Montreal, who is one of the oldest Blackmen in the Province.

Hon. L. H. Holton, M.P., has been elected President of the newly organized Reform Association in Montreal—an honour which the member for Chateauguay has well earned by his great services to the Liberal party, as a follower and leader, during the past twenty-five years. Mr. Holton had already been elected Honorary President of the Reform Association of the *Parti National* when this second honour was conferred on him.

Mr. John Poupore, ex-M.P. for Pontiac, was the recipient of a handsome testimonial and banquet in that county on Thursday last, by a number of his friends. Amongst those present were the Hon. L. R. Church, Attorney General of Quebec, Hon. George Bryson, Mr. E. Heath, ex-M.P., W. McKay Wright, M.P., and a number of prominent men of the county. The Hon. Mr. Bryson presided and made the presentation, which consisted of a magnificent silver tea and coffee set to Mr. Poupore and a gold watch and chain to his amiable lady. Toasts, songs and speeches followed the presentation and banquet, in the course of which Messrs. Poupore, Wright, Attorney General Church and Mr. Heath made some excellent speeches. The affair was a decided success, and is represented as being a pleasant social gathering.

MID-NIGHT DESPATCHES.

GREAT BRITAIN.

The Tipperary Election.

CORK, March 11.—The Parliamentary election in Tipperary passed off quietly. About a third of the constituency, including the Roman Catholic clergy and leading statesmen, abstained from taking part in the election. Mr. Moore, the Conservative candidate, had posted bills at all points stating that Mitchell was ineligible, and that votes cast for him would be void. The counting is not yet completed, but it is estimated that Mitchell has a majority of 1,000.

YESTERDAY'S DESPATCHES.

GREAT BRITAIN.

The Mordaunt Case.

LONDON, March 11.—A jury has found Lady Mordaunt guilty of adultery.

FRANCE.

The Ministerial Crisis.

LONDON, March 11.—The *Times* Paris correspondent says: MacMahon, by yielding to the intrigues of the Bonapartists, and refusing to make the Duke D'Audiffret Pasquier Minister of the Interior, has dealt a death blow at the unreserved respect which all parties previously entertained for the head of the State. MacMahon yesterday wrote a letter insisting that Mr. Buffet should enter the Ministry. The Duke D'Audiffret will probably be elected President of the Assembly.

GERMANY.

Warlike Rumour Contradicted.

BERLIN, March 11.—There is no foundation in the report in the *Tageeblatt* that France intends to concentrate troops in the Eastern Departments experimentally, and that Germany threatened to mobilise two army corps on the Rhine if she persisted.

Germany and the Pope.

LONDON, March 11.—The *Times* Berlin correspondent telegraphs that Germany has asked Italy whether she will continue to exempt the Pope from the obligations of the law, and claims that he is now abusing the liberty given him for the purpose of fomenting a rebellion in Germany.

RUSSIA.

Unfounded Rumour.

LONDON, March 11.—The report that Prince Gortschakoff had requested the recall of Schuyler, United States *Charge d'Affaires* at St. Peterburg, is untrue.

AUSTRIA.

Resignation of the Minister to the United States.

VIENNA, March 11.—It is said that the Emperor Francis Joseph has received and accepted the resignation of Baron Schwarzenhorn, Austro-Hungarian Minister at Washington.

UNITED STATES.

Louisiana Affairs.

NEW YORK, March 11.—A Washington despatch says Andrew Johnson is preparing a speech on the Louisiana question, and will probably follow McCreery, who has the floor to-day.

WASHINGTON, March 11.—Gen. Sheridan left Washington to-day, returning to New Orleans. His conduct on the late troubles in that city is approved by the President. When a compromise shall be fully consummated, a portion of the troops will be withdrawn from New Orleans.

The Louisiana Investigation Committee appointed by Congress met to-day at the office of Hon. Wm. H. Phelps. In consequence of the non-arrival of election documents, the Committee adjourned.

Diplomatic Appointments.

WASHINGTON, March 11.—The President to-day signed the commissions of J. S. Orthe as Minister to Austria, and Horace Maynard, Minister to Turkey. AVALANCHE ACCIDENTS.—A lady named Mrs. Tomlinson received serious injuries from the falling of some ice from a roof on Sussex street yesterday. Another lady, later in the day, was almost killed from a similar cause, by a slide from the roof of Mr. Mann's hardware store on the corner of Sparks and Metcalfe streets. NIGHT SOIL.—An unfortunate occurrence took place last night about eight o'clock, at the corner of Slater and O'Connor streets, that renders a residence in the locality anything but agreeable. Those who are entrusted with the removal of night soil were passing with a steam around this corner, but not noticing that a deep hole existed there, owing to a pit-hole having been made to reach the grate at that point, the sleigh, with its contents was upset. A considerable amount of swearing followed, which gave way in turn to the work of reloading. Passers by and residents will, notwithstanding the removal, suffer for some days from the effects of this nuisance.
