CLERICAL PERSECUTION.

Fuller was recently appointed Bishop of the new Western Diocese of Niagara, in connection with the Episcopal Church. whom a charge had been made of gene- general policy of the Government, it pre- reality to read an unintelligible language, rally disturbing the peace of the Church sents a fair mark for discussion and com- and it is quite impossible to believe that into the complicated issues which are raised by the prosecution in question, it is demerits of particular members of the pre- about among "high lights," "chiroscuro," probably better that secular newspapers sent or any other Government. should not at this stage of the proceedings enter. They seem to be very fine points, not very easily distinguished, even oy those who make clerical law their special study. In a general way, how ever, the entire press of Canada has expressed some opinion on the subject, and that opinion has been very largely adverse to the prosecutors, who are regarded much more in the light of petty tyrants who hundred places. want to light out a battle in which they have for some time taken an active part by the aid or weapons the use of which not vouchsafed to their opponents. In short's the proceedings are deemed to be more instigated by a desire to persecute and crush an opposing faction than to promote the peace and harmony of the Church. British Columbia, \$21,997. Total, \$53,237. have any records. Two great points with the headstrong youth; and as he proved this class of writers is the use he extraordinary delays which have taken piace from time to time, and the resorted to for the purpose of preventing a revolving white light on the catoptric seem thrown in here and there like plums tended to create opposition to the prose tion in two minutes. cutors in the minds of all disinterested observers, whether they took any interest in or at all understood the questions of doctrine and practice involved or not.

An entirely new turn has been given to the affair by the refusal of Bishop Ful- they had been pipe stems. The tele- special distinctive properties which enable gregate loss of \$1,650,000 a week, without It seems that his determination was made known in a letter to the Bishop of for, onto, which his lordship has given to the ceived at Victoria we select the following: public through the columns of the . tail, along with his own reply thereto. Both communications are somewhat unique m | many men (including Miss Cashman) had their character, and reveal the fact that arrived from Victoria and were getting in very high church as well a other circles | ready for active operations. Abbott & ordinary changes of base, and very wide health of the camp was good. The Stickdifferences of opinion. Bishop Fuller's een was still frozen. There are various been appointed Bishop of Niagara; but Bishop Bethune replies that | ed badly frost bitten. Payne & Co. and Dr. Fuller is still an Archdeacon of tue Clark & Co. hava struck good pay in the Diocese of Toronto, is not justified, there fore, in withdrawing from duties pertaining | clai o his office, which his Bishop requested him to perform, and moreover that after ult. Mr. Robson asked the Hon. Mr. lish language, if they cannot command o serve. It would certainly appear that

had arisen in regard to the case, chiefly of the Government to permit pre-emption upon said lands? Hon. Mr. Beaven to accommodate counsel, whose services answered :- No official intimation has this view he is supported by the general plication had been made to the Dominsentiment of the country-indeed, by the ion Government for the opening of the general sentiment of those connected as yet. This Government does not inwith the Church. But B shop Bethune | tend to issue any patents for land comreminds him that these delays were ini- prised within that reserve. tiated by himself, and that every step tak n in that direction niet with his sanction lately transpired in this Province. A merand approval. It is therefore to be re- chant living at Yale, wishing to order a gretted that for the sake of consistency bill of goods, and desiring to shorten the despatch, telegraphed to a well-known

Weston, has been disregarded by your Lordship. That rev. gentleman declined to appear before the Commission, and utterly ignored its right to enquire into and report upon his case, though that and report upon his case, though the country, some suicide. She had been operated upon for cancer, but a second operation was manuscript has been found indicating all the country, some suicide. She had been operated upon for cancer, but a second operation was manuscript has been found indicating all that a suicide. She had been operated upon for cancer, but a second operation was manuscript has been found indicating all the country, some that the country, some that the country years, has just committed upon centuries since; and now it is said that a point in the case of the country years, has just committed upon centuries since; and now it is said that a point in the case of the country years, has just committed upon centuries since; and now it is said that a point in the case of the case of the case of the case of Commission had been appointed by chapters in Matthew's Gospel.

your Lordship, thus despising your authority, and only acknowledged its existence by addressing to it a most abusive and scurrilous letter. In-

as it appears to me it has been." very strange if it does not end in the dethe break-down of the trial.
