Tilton afterwards, but do not recollect

that I wrote any other myself. I do not

so-I did not want to account to her for my absence. New York, April 20,-It was fully fif teen minutes after the hour when the jury was called after recess. Mr. Beechet during this interlude sat in the place he usually occupied in the former portions of the trial side by side with his wife, and chatted with her and laughed. Dr. Edward Beecher, brother of the defendant, stood at one side of the jury box, preme Court, occupied a place on the bench with Judge Nelson. It was nearly

and continued his cross-examination.

Do not remember walking with Mrs

lilton in New York in the autumn of 1871, nor was I in an oyster saloon or reswalks there was no talk between us of her having given her affections to me, but I knew that she had at that time. I was not made acquainted with the fact that Bessie Turner had been sent away until I received the letter from Mrv. Morse matter, and I did not regard it as black mailing. Sometimes Moulton asked me was not for Bessie Turner's expenses at different times. I gave him money in currency when the time would come around for another bill. I do not remem ber the dates of any of these payments

part in it. I think I only spoke once to him on the subject of the margtageupto the several conversations between Moulton tion about putting the paper on its feet On an evening visit to Moulton's house he intro-luced the matter, and drew a letter out of his pocket from which he read extracts. The writer stated there was When I went, then something seemed to time dr fts had also been sent. Moulton have disturbed him; we talked for some laid two time drafts on the table, but said 15 to 20 minutes and in some remarks I he would not use them. I understood made to him I came over and sat on his knee. Mrs. Titton came in and laughed Moulton than brought his hand down or meeting held yesterday, meet to day to decide and make the necessary arrange- and came over and kissed me. I offered the table and said:—"This is what I call no objections nor did I make any reply true friendship." There appeared to then to these charges. At the interview of the middle of February, 1871, I kissed them all around as a sign of amity and amnesty; I suppose these kisses were inspired to the friendship." There appeared to me nothing in this observation, nor did I think it was given as a hint to me, although I took it as one.

and myself; if anything of the kind had gave him the \$5,000. I did not know when I paid this money that it was black mailing. Before this I had paid Moulton \$2,000, but paid none after it. I paid this money cheerfully, without thinking I had been taken advantage of. This, you will understand, applies to Mositon. I have no means of getting at the exact day, in which the writer said spring had amount of sums I paid. When Moulton come again and was gladdening every it out to Tilton judiciously and carefully. thing. Letter was written by Mrs. Tilton I had no reason to think that Theo-Petitions are in circulation in 'ape in which the term "Nest hiding" or of the money being given to Moulton dore Tilton was blackmailing me. was to be kept secret. I had a transient organ writing the book "Norwood" in the time that I made the statement, that idea after I paid \$2,000 for Tilton and at Tilton was obtaining money from me, and was levying blackmail on me. In my direct examination I chided Moulton for not applying to me, but I never thought
